STAINLESS STEEL SERVER

CARE AND HANDLING RECOMMENDATIONS

Features:

Lightweight stainless steel exterior and interior with double wall or vacuum insulation.

Usage:

Wash before first use. Fill carafe with beverage. This carafe is intended for hot or cold beverages. Do not use for any other purpose. Use caution when moving a full container. Use the handle to carry the carafe. Tip server to pour.

Cleaning:

This server is hand wash.

- Do not use harsh cleansers, abrasives or solvents.
- Wipe exterior with a soft cloth and polish to maintain the polished exterior.

Precautions:

- Do not disassemble the server or lid.
- Do not use this carafe with carbonated beverages.
- Do not overfill the dispenser.
- Keep away from children, especially when filled with hot beverages.
- Keep the dispenser away from heat sources, such as heaters and stoves.

Storage:

Store in a cool dry place.
