Can we shine a light on your brand?

Your story is what the Displays4Good program is all about, and we need your help to continue bringing attention to the program to help others! As part of our efforts, we'd love to be able to include your logo, any submitted photos, and/or videos displaying the donated items in our marketing content. Please check the box to grant permission.

Please Note: Contributions are made exclusively in the form of product donations, Displays4Good does not contribute monetary donations and the cost of donations are subject to contribution approval. In the event that the donated products require custom graphics, the product recipient will be responsible for supplying the necessary graphic assets. While we would like to assist all applicants, we receive a high volume of requests and unfortunately cannot fulfill all of them. By submitting a completed application, you are indicating a willingness to provide photos, videos, and/or testimonials upon receiving a donated product. Our team selects applicants for the upcoming month at the end of the current month. If you are chosen, our team will follow up with you.
