1. Fold flaps on the Base Panel (C) inward along the creases.
2. Align tabs on top of the Base with corresponding cutouts at the bottom of the Shelf (A).

3. Press down the Shelf and make sure all the tabs are inserted into the Shelf.

4. Insert tabs on the top Top Acrylic Panel (D) in to the Side Panel (B). Then hold the Front Acrylic Panel (E) and fold up flaps at both ends as shown. Make sure all the clear panels are fully inserted into the side panel.

5. Place the assembled display case on top of the shelf and base. Press down along the side to secure the display case. The assembly is finished.
