Rev 20.09

Parts

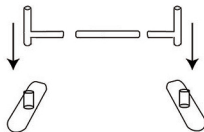

CAUTION: Before starting the assembly, wear gloves to protect your hands.

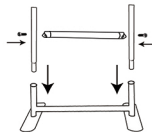

Connect tubes by matching the numbers on the ends.

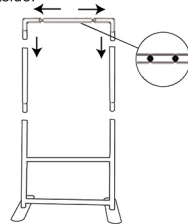

1. Connect 2 "L" shaped tubes by matching the numbers and attach it to 2 feet.

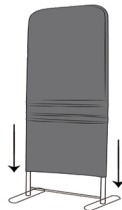

2. Connect 2 upright tubes using screws and then attach it to the assembled base.

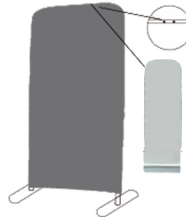

3. Connect the remaining tubes by matching the numbers. Threaded holes on top are the frontside.

4. Slide the printed fabric over the assembled frame from the top. Zip up the opening at the bottom.

5. Align the precut holes on the fabric with 2 holes on the top tube. Use 2 thumb screws to attach the metal tray at the top of the banner.

6. Hang the hand sanitizer dispenser on the screws.
