Safety Information

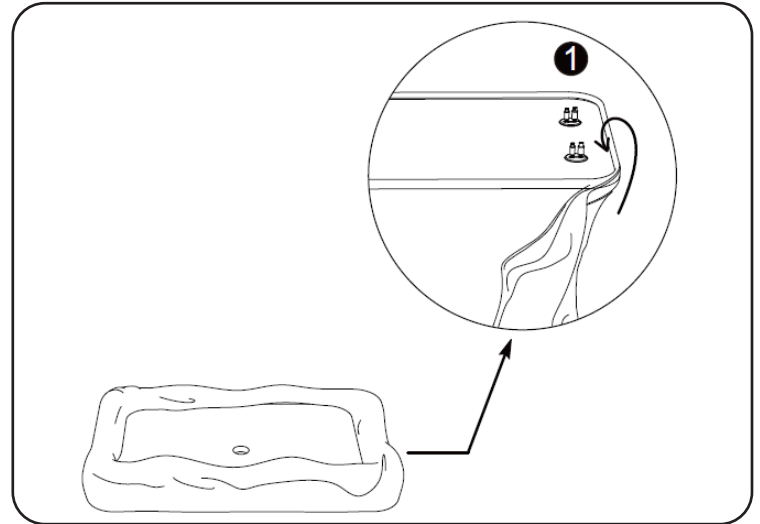

Weight Capacity: 33-44lbs (15-20kg)

- This product is not a toy and should not be used by children at any time. It contains small parts that can be swallowed and cause serious injury.
- Avoid placing the power cord in a high-traffic area where it could be tripped over.
- Do not place in an area with high temperature, high humidity, areas with excessive smoke, dust, or vibrations, or areas where the charging station may come in contact with water.
- Do not modify or alter the product in any way.

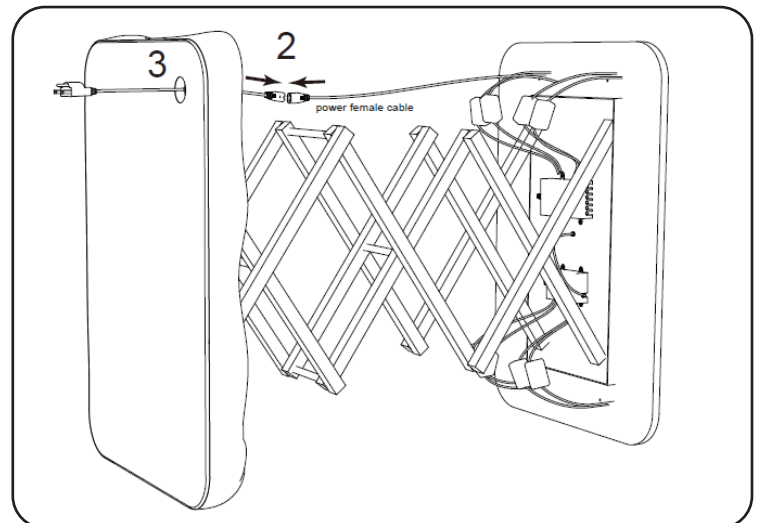

Fabric Graphic Care Instructions: Machine wash, low tumble

Assembly

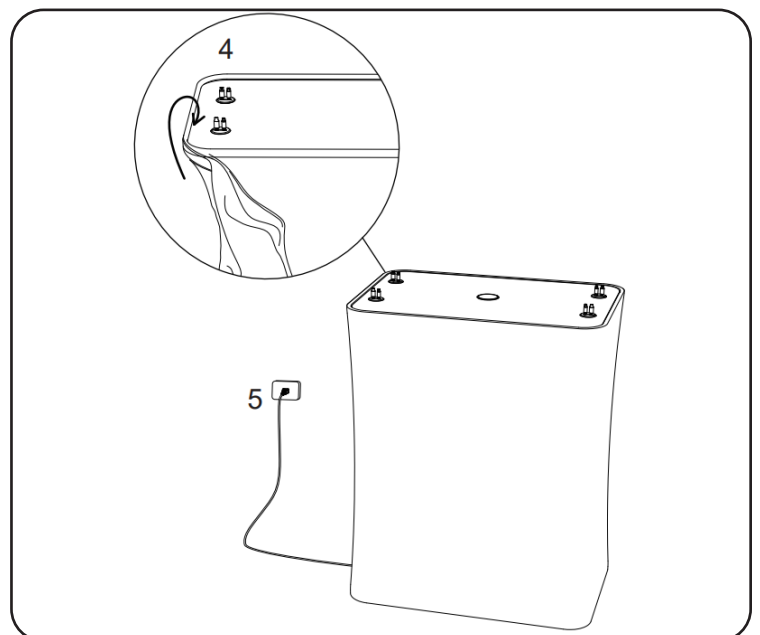

1. Insert the cloth edge into the channel of the base.

2. Connect power cord to interior cable.
3. Pull power cord out through hole on base.

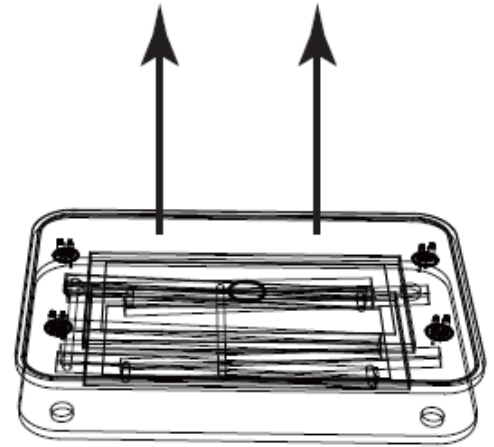

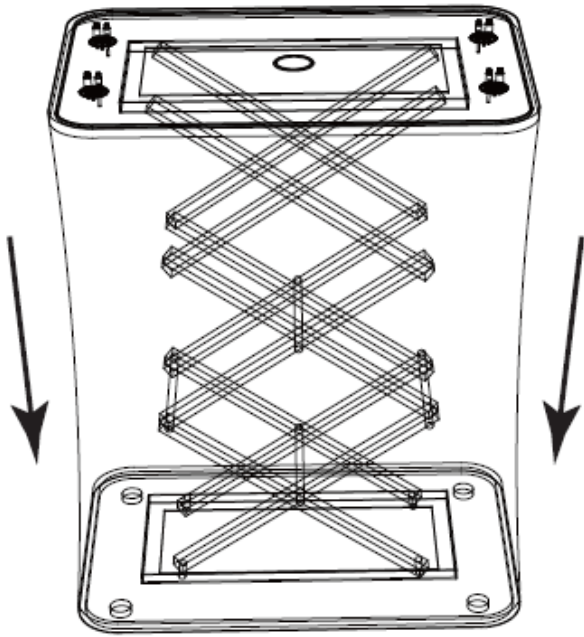

4. Insert the other cloth edge into the channel of the tabletop.
5. Connect power cord to power.

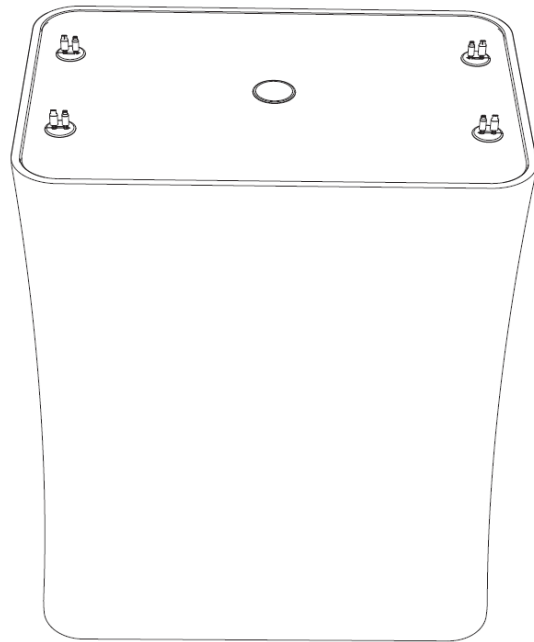

To expand the charging table, gently lift from under each side of the tabletop.

To collapse charging table, gently push down on either side of tabletop.

**Assembly is
complete.**
