How to place the exhibits?

Please follow the below steps A-E:

- A. Open the showcase door with the key provided.
- B. Use the enclosed key to unlock the 2 locks at the bottom of the showcase;
- C. Remove the top acrylic cube with both hands (Note: Please wear enclosed gloves before operation to avoid fingerprints on the acrylic); After the exhibits are placed well, please put the acrylic cube back to its original place and lock it, then lock the cabinet door properly .
- D. Connect the power
- E. Turn on the switch and start using the product.
