That's the vision behind the **55" Double-Sided Non-Touch Poster with Android 11 OS** from Displays2go. Designed to engage customers in high-traffic environments such as lobbies and public spaces, this 55" double-sided digital poster **delivers from every angle**. Both sides feature a stunning full HD 1080p display, mirroring your content for a cohesive, immersive experience, no matter **where your audience stands**.

Whether you're sharing event details, branded visuals, or wayfinding information, your message remains **clear, consistent, and impossible to ignore**.

DISPLAYS2GO

BUILT FOR HIGH-TRAFFIC ENVIRONMENTS

The modern frame fits seamlessly into commercial interiors, while dual-sided visibility boosts your messaging without increasing your footprint.

DUAL DISPLAYS, UNIFIED EXPERIENCE

Two 55" displays mirror your content across both sides—perfect for busy lobbies, event venues, and public spaces.

HIGH IMPACT VISUALS

Full HD 1080p resolution with 500 nits of brightness ensure vibrant playback even under bright indoor lighting.

SIMPLE FLEXIBILITY

Android 11 OS allows you to download your favorite apps from the Google Play Store. Control the device via remote or USB keyboard and mouse.

OPTIONAL CONTENT MANAGEMENT UPGRADE

Upgrade to the DisplayIt!Xpress content management software to schedule content wirelessly. Create dynamic messaging, push content remotely, and incorporate RSS feeds and widgets. DisplayIt!Xpress is a one-time purchase and has no recurring fees.
