

LIGHT UP YOUR BRAND

WITH THE 55" EDGE LIT TOUCH SCREEN POSTER FROM DISPLAYS2GO.

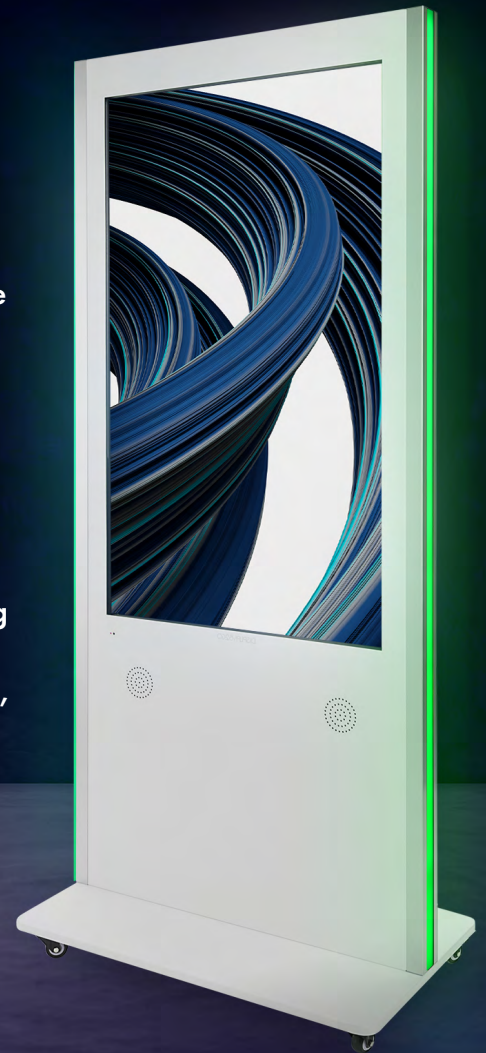

The 55" Edge Lit Digital Poster inspires delight and interaction, thanks to a color-changing LED frame and 55" vibrant, responsive touch screen.

Powered by Android 11 for digital signage, the interface offers an intuitive user experience with access to apps from the Google Play Store.

Elevate your content with our pre-installed DiViEX Slideshow App or upgrade to a Premium CMS powered by Wallboard.

With a glossy white finish, free standing design, and locking caster wheels, this mobile digital poster is perfect for retail, event, and commercial spaces.

MOVE, TOUCH, GLOW.

- **Mobile Design.** This poster is designed to move with you! The slim free standing unit is 180 pounds and moves easily on locking caster wheels.
- **Smooth, Responsive Touch Screen.** The 20-point IR touch display delivers fluid, multi-touch responsiveness for every swipe, tap, and scroll. Ideal for digital catalogs, directories, and interactive promotions.
- **Flexible Connectivity.** Manage content your way via USB, HDMI, Wi-Fi, Ethernet, or Bluetooth. The familiar Android 11 OS for digital signage provides quick startup and support for Android apps.
- **Customizable LED Edge Lighting.** Customizable LEDs line both sides of the poster for an attention-grabbing glow. Easily switch up the lighting to match your message or add your custom brand colors through the simple Magic Home mobile app.
- **Edge Lit Tech Collection.** Create a cohesive look with other items from this collection, like the Edge Lit Kiosk and Edge Lit iPad Stand.
- **Enhanced Content Management.** Easily play content using the simple built-in DiViEX app, or upgrade to the **Wallboard 2.0 Premium Content Management Package** for the ability to create and schedule content, add widgets, and much more! [Click to learn more about Wallboard!](#)
