

Digital Art in the Physical World

Meet our **Digital NFT Frames**, giving users access to the best of both worlds! Display unique digital artwork as non-fungible tokens, with access to the YBToken NFT Display App for simple setup and easy asset management. This beautiful wooden framed display can also function as traditional digital signage with an Android OS, providing dual purpose and endless possibilities. Our cutting-edge NFT frames will enhance the customer experience while delivering a high-tech and modern touch to any space.

HIGHLIGHTS

- Auto-Rotating Screen Orientation
