Assembly

Each pole includes numbered stickers corresponding to the diagram below.

1. Expand aluminum frame poles, securing push-buttons.
2. Connect all aluminum poles to assemble frame.

3. Find the 4 holes in the fabric graphic where the monitor bracket attaches to the frame.
4. Slide fabric graphic down to the bottom, pulling tight to align with the holes on the frame. Zipper to secure in place.
5. Place countertop onto frame.
6. Attach TV brackets to your monitors with spacers and screws (refer to instructions on mounting kit). Carefully hang monitor onto brackets.

! NOTE: You can store belongings inside the counter frame. Remove the countertop to access hidden storage.

**Assembly is
complete.**
