Recycled Acrylic Wall Mount Sign Holder

SKU: EWMS08511, EWMS01117, EWMS01824, EWMS02228, EWMS02436

- 1** Place the sign holder at the desired location and mark the center of each hole with a pencil.

- 2** Drill holes at all marked points with a power drill and insert wall anchors.

● **NOTE:** This mounting method is for drywall only. Choose the proper hardware for your wall type.

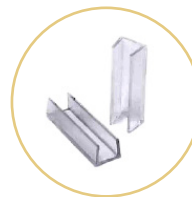

- 3** Separate each standoff cap from the base.

Place the standoff base on the wall and secure it with the anchor screw. Repeat for the all standoff bases.

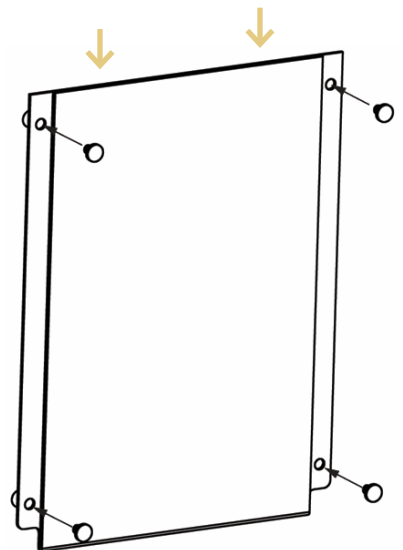

- 4** Insert your graphic into the signage holder. Align the signage holder with the fixed bases, then replace standoff caps.

● **For 22x28 and 24x36 only:**

Place the acrylic clips on top edge of the sign holder for extra security.
