## Parts List

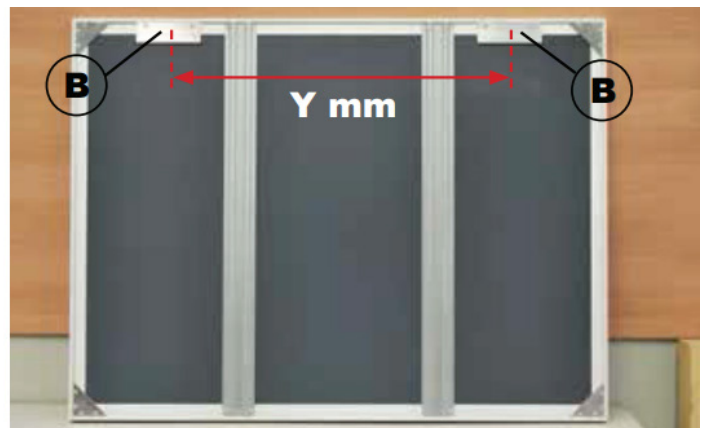

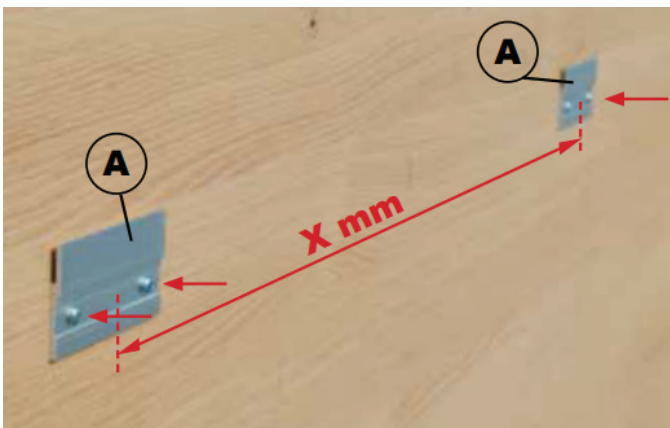

| PART                           | QUANTITY |
|--------------------------------|----------|
| A: Bulletin board .....        | 1        |
| B: Wall-mounting hardware..... | Assorted |
| C: Z-bracket .....             | 2        |
| D: L-bracket .....             | 1        |
| D: Key .....                   | 2        |

**Tools Required:** Drill, bubble level (not included)

 2 people required for assembly.

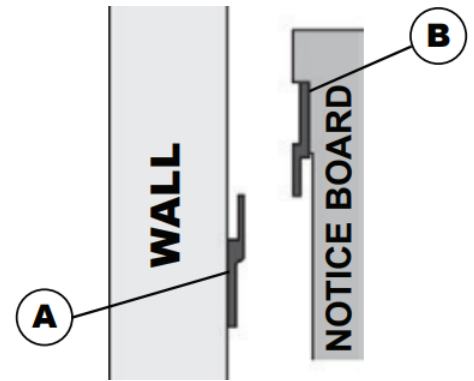

## Wall-Mounting Instructions

1. Choose the appropriate hardware for the material of your wall. Not all hardware will be used.
2. Identify desired location and height of bulletin board and mark location for Z-bracket using a bubble level. Distance between the brackets (X) should be equal to the distance between the mounting plate on the back of the bulletin board (Y).
3. Drill holes at marked locations and attach Z-brackets to the wall, using anchors if applicable.

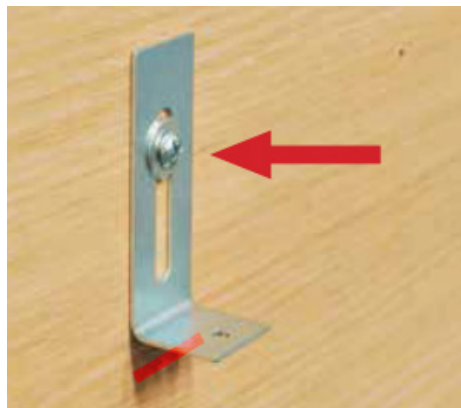

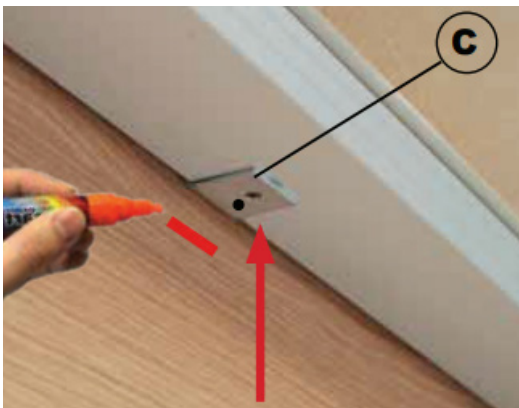

4. Lift bulletin board and place mounting plates onto the Z-brackets. Check that brackets are secure before releasing.

**⚠ Caution:** 2 people required to safely lift bulletin board.

5. Align the L-bracket to the holes underneath the bulletin board, then mark location of L-bracket.
6. Remove bulletin board and screw L-bracket into the wall.
7. Lift bulletin board onto brackets and screw L-bracket to bulletin board to secure.

**Assembly is  
complete.**
