

ASSEMBLY INSTRUCTIONS

Wooden Expanding Partition

DISPLAYS2GO

CONNECTING PEOPLE & BRANDS WITH THE WORLD

PARTS LIST

1 Expanding wooden gate

2 Wooden feet

4 Screws

Required for assembly: Phillips head
screwdriver

1. Locate pre-drilled holes on each side of the wooden divider.

2. Line up pre-drilled holes on foot with holes on the divider. Insert and tighten screws.

3. Repeat on opposite side.

*Nice work!
That looks great!*

We hope you enjoy your new wooden expanding partition!
