Stand with Custom
Printed Graphics,
24"- 47"W**

Assembly Instructions

Scan the QR
code to visit the
product page.

Components

- A. Retracting Base with Custom Graphic (x1)
- B. Folding Support Pole (x1)
- C. Fabric Travel Case (x1)

Assembly

1. Unzip the fabric travel case and remove base and folding support pole.
2. Swivel the metal feet underneath the base until they are perpendicular to the base.
3. Connect the support pole together.
4. Insert the pole into the center hole of the base.

5. Slowly pull the banner upwards.

6. Insert the hook of the top bar into the hole of the support pole.

Assembly is complete.

Scan the QR code to watch the video tutorial on adjusting the spring tension on the retracting base.
