

Components

A. Retracting Base with Custom Graphic

B. 3-Piece Support Pole

C. Fabric Travel Case

Assembly

❗ **Video Tutorial Available!** Scan the QR code above to visit the product page and watch a helpful video tutorial on how to assemble this product.

1. Unfold the feet from the base.
2. Connect the three pieces of the support pole together.
3. Insert the support pole into the base.
4. Slowly pull the banner out from the base and insert the top bar onto the notch of the support pole.
