DESCRIPTION OF PARTS

ASSEMBLY

1. Assemble Base

Flip base (B) upside down. Add furniture pads (J) to each corner. Next, use screwdriver and base screws (G) attach the base to the stand (A).

2. Attach Tablet Enclosure

Unlock the tablet enclosure (C). Use enclosure screws (H) to affix tablet enclosure to the bracket.

Tighten screws with allen wrench (I).

NOTE: The tablet enclosure can be attached while in portrait or landscape orientation.

3. Connect Tablet

Place your tablet in the enclosure.

Connect your charging cable to the tablet, and insert the other end through the charging cable slot on enclosure, feeding the cable into the stand.

Close and lock the enclosure with the enclosure keys (E).

4. Connect to Power

Unlock the back panel with keys (F).

Plug tablet charging cable into fixed power outlet inside stand.

Plug power cord into wall.

REMOTE CONTROL

Aim the remote control directly at the LED strip when using the remote control.

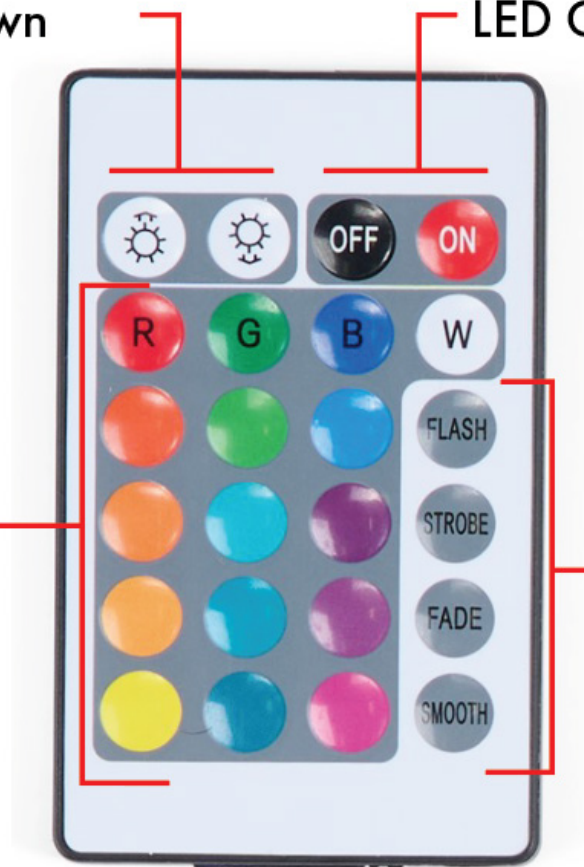

If remote control does not initially control the LED strip, hold the ON key down for 5 seconds to pair. The lights flash slowly to indicate successful pairing.
