VWALL3X3WR

200x200/300x300
400x200/400x400
600x400

50kgx9/110lbsx9

 **Read the entire instruction manual before you start installation and assembly. If you have any questions regarding any of the instructions or warnings, please contact your local distributor for assistance.**

CAUTION

- Use with products heavier than the rated weights indicated may result in instability causing possible injury.
- Please closely follow the assembly instructions. Improper installation may result in damage or serious personal injury.
- Safety gear and proper tools must be used. This product should only be installed by professionals.
- Make sure that the supporting surface will safely support the combined weight of the equipment and all attached hardware and components.
- Use the mounting screws provided and **DO NOT OVER TIGHTEN** mounting screws.
- This product contains small items that could be a choking hazard if swallowed. Keep these items away from children.
- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.

Required for Installation

Component Checklist

Component Checklist

IMPORTANT: Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or faulty, contact your place of purchase for a replacement.

Package Mx9

Package Wx3

1. Attach Connecting Plate to the Column

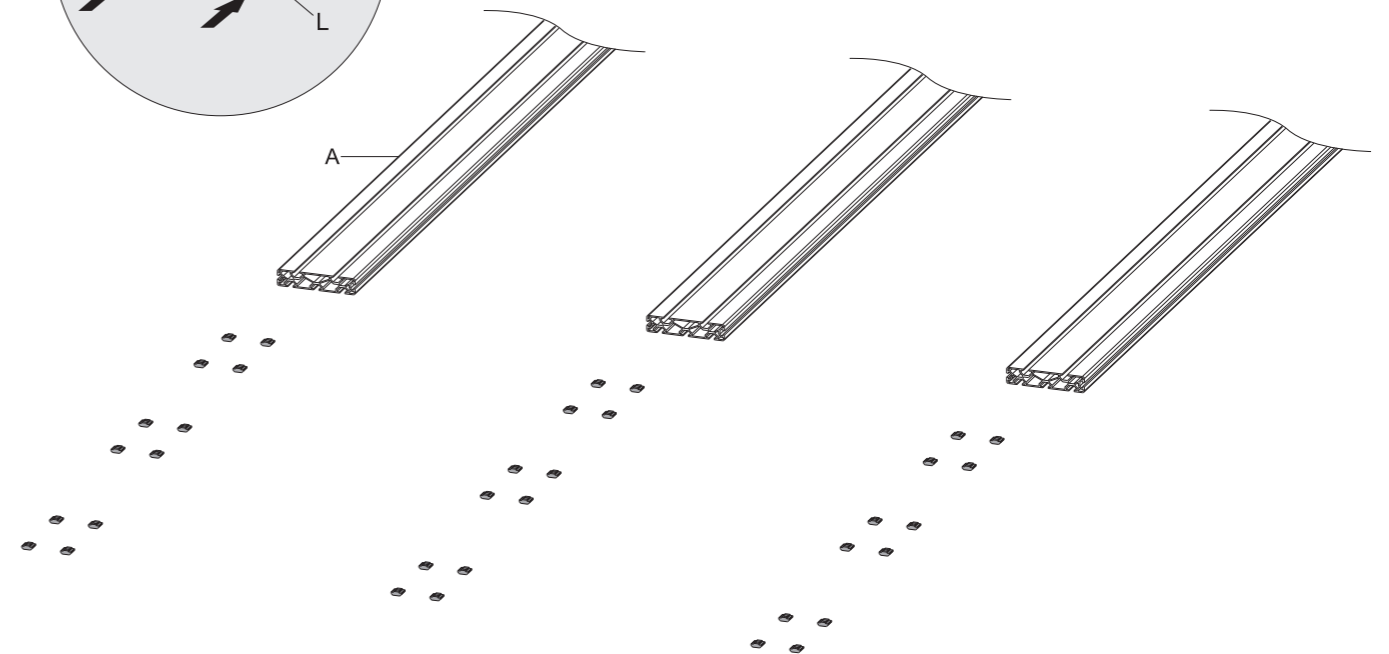

Note: The space apart the connect plates is the height of the screen plus and extra 3 mm.

2. Extend the Mounting Rail

3. Attach Column to the Mounting Rail

Note: Ensure the gap between the nuts halves on both sides are equal.

Note: Make sure the position of mounting rails are parallel before any AV equipment is fitted.

4. Install the End Cap

5a-1. Assemble the Base

Note: Prepare and put a heightening pad for easier installation.

5a-2a. Assemble the Base

5a-2b. Assemble the Base

Note: Lock the brakes on the casters to avoid any sudden movements during installation.

5b-1. Assemble the Base

5b-2. Attach Stand to Solid Brick or Concrete
