

# INSTALLATION INSTRUCTIONS

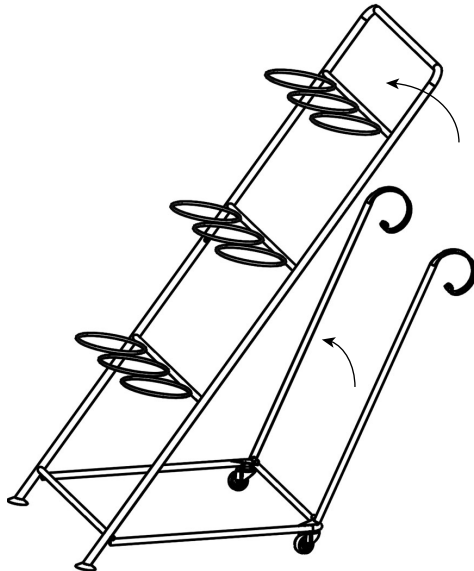

## SMRGGFD - Galvanized Flower Display

V20.11

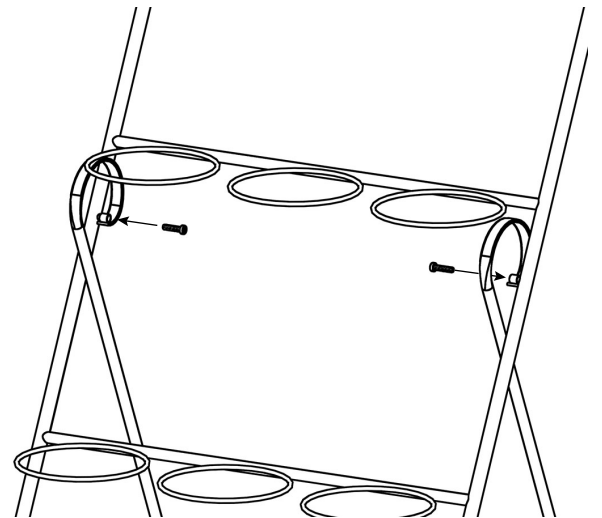

1. Attach 2 casters to the base frame and tighten by hand as shown.

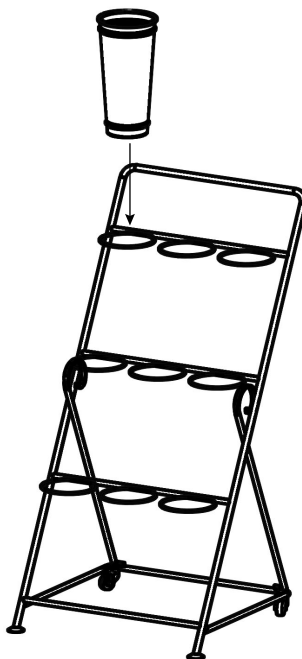

2. Unfold the display rack and the support bars to its standing position.

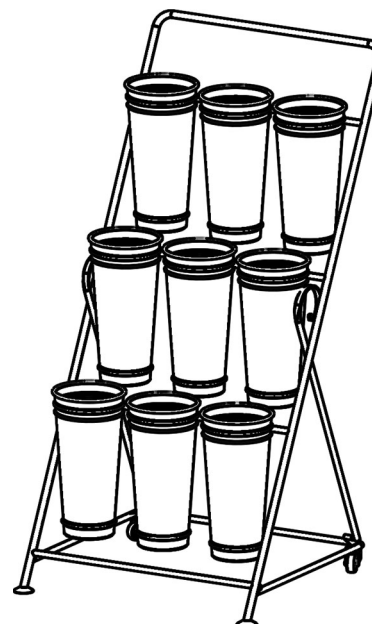

3. Align screw holes on 1 support bar and the pre-drilled holes inside display rack. Insert 1 screw and tighten with a hex wrench. Do the same for the other side to secure the display rack.

4. Place 1 flower bucket on the round wire and assemble the remaining buckets the same way.

5. The assembly is finished.
