

Each product includes:

- 1 x Brochure Holder
- 1 x Brochure bracket
- 1 x Pole bracket

1. Remove the end cap on the aluminum pole. Slide down the pole bracket from the top of the pole into the T-slot as shown. Tighten the screw with a screw driver at the desired location.

2. Hold the brochure holder with the attached bracket on top of the fixed bracket on the pole. Press down the brochure holder until it is securely attached to the pole. Replace the end cap and the assembly is finished.
