Safety Information

Before beginning assembly, please take time to read through the instructions and understand each step thoroughly. Displays2go is not responsible for any personal injury or product damage due to mishandling, incorrect assembly, or incorrect use of this product.

ⓘ Tools required: screwdriver or drill.

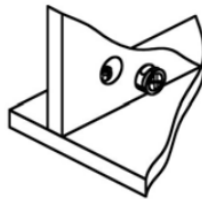

How to Join 2 Boards with Cam Locks

1.

Insert the cam bolt into the board, then lower the hole of the joining board over the cam bolt.

2.

Each cam lock has an open section on the back.

Insert the cam lock into the hole of the joining board, making sure the open section is placed over the head of the cam bolt.

3.

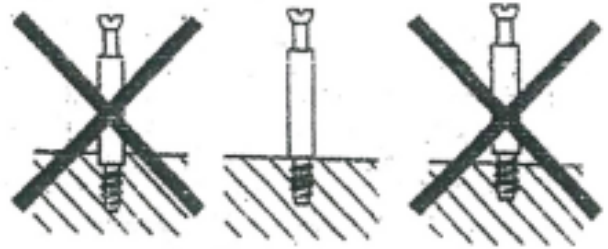

Turn the cam lock clockwise with a screwdriver to lock the cam lock to the cam bolt.

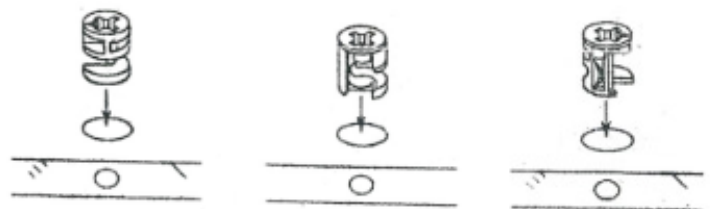

Do not over-tighten.

Fully tighten cam bolts at the end of the assembly to ensure pieces fit correctly.

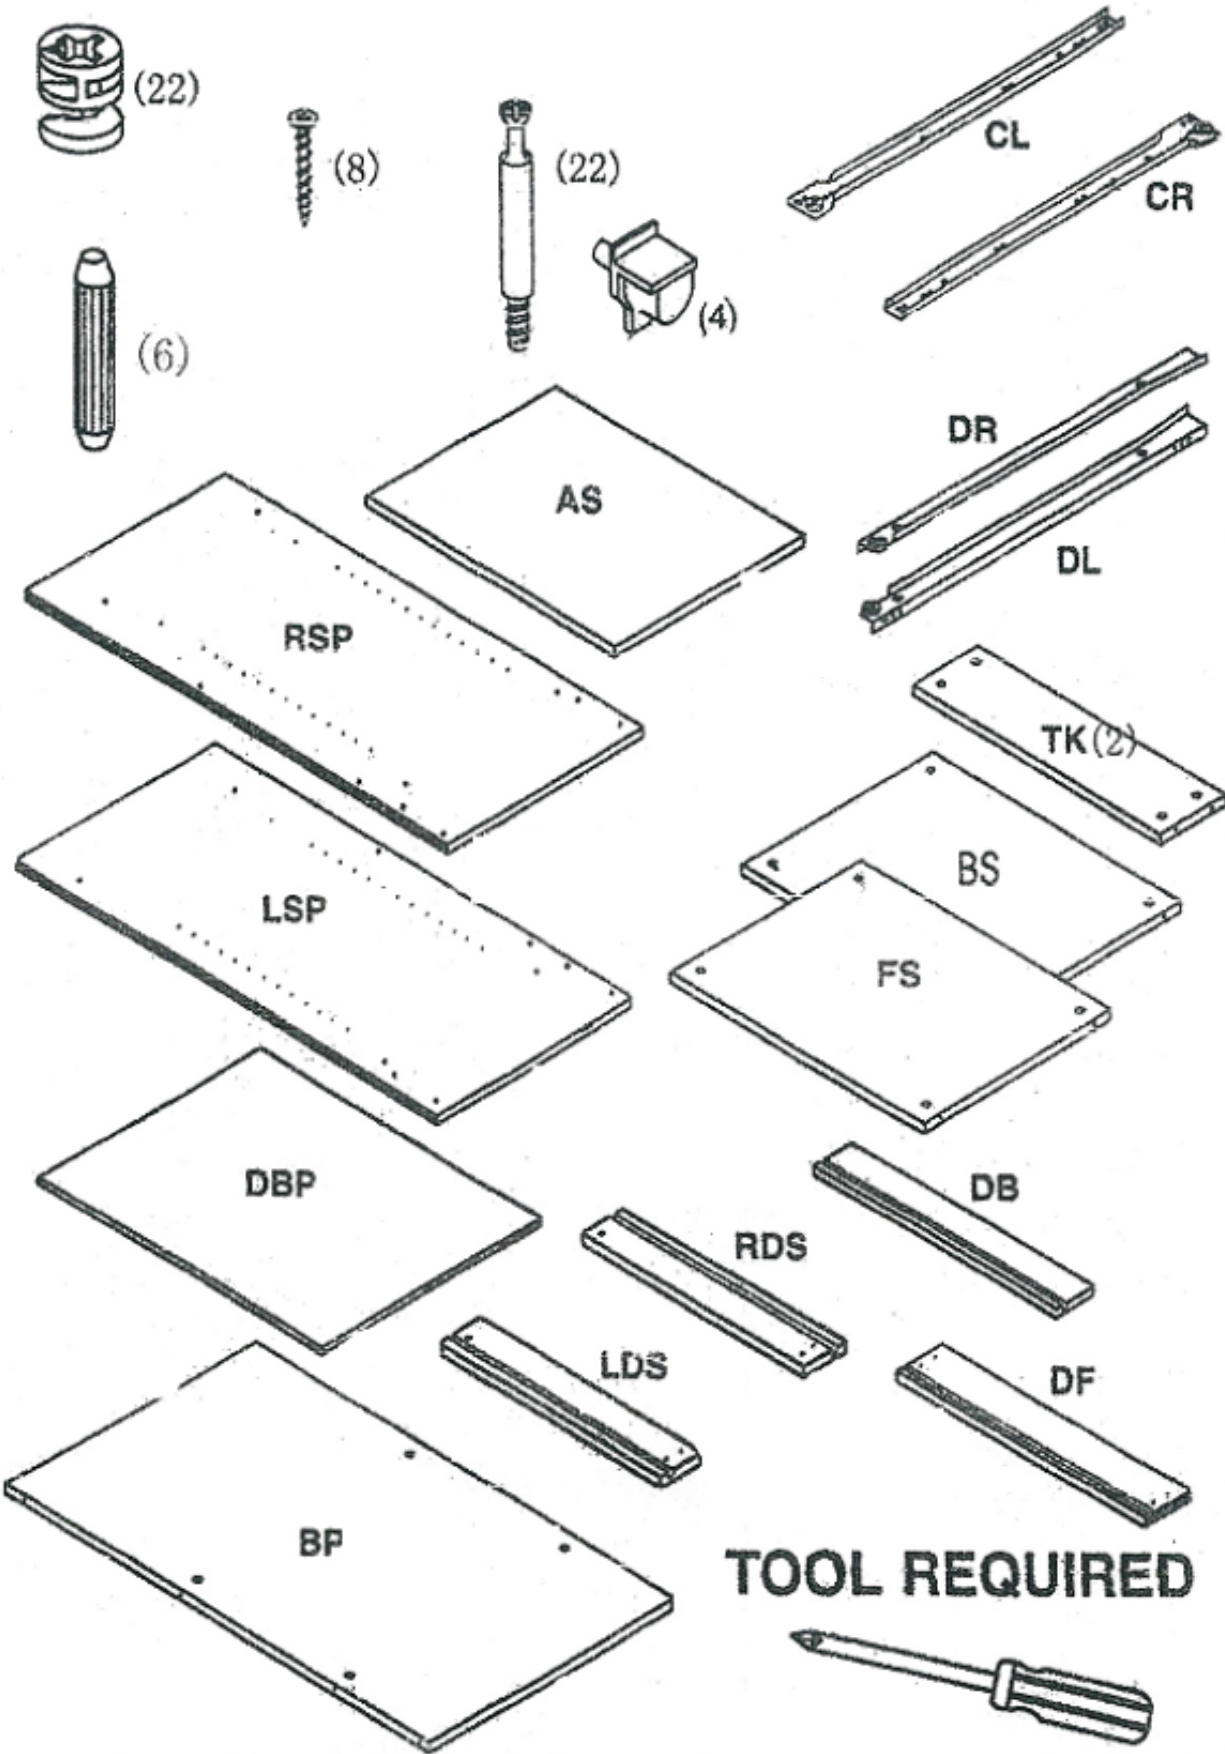

Insert the threads of the cam bolt into the board. Do not exceed the depth of the threads.

Revolve the cam lock until the open slot is aligned with the cam bolt.

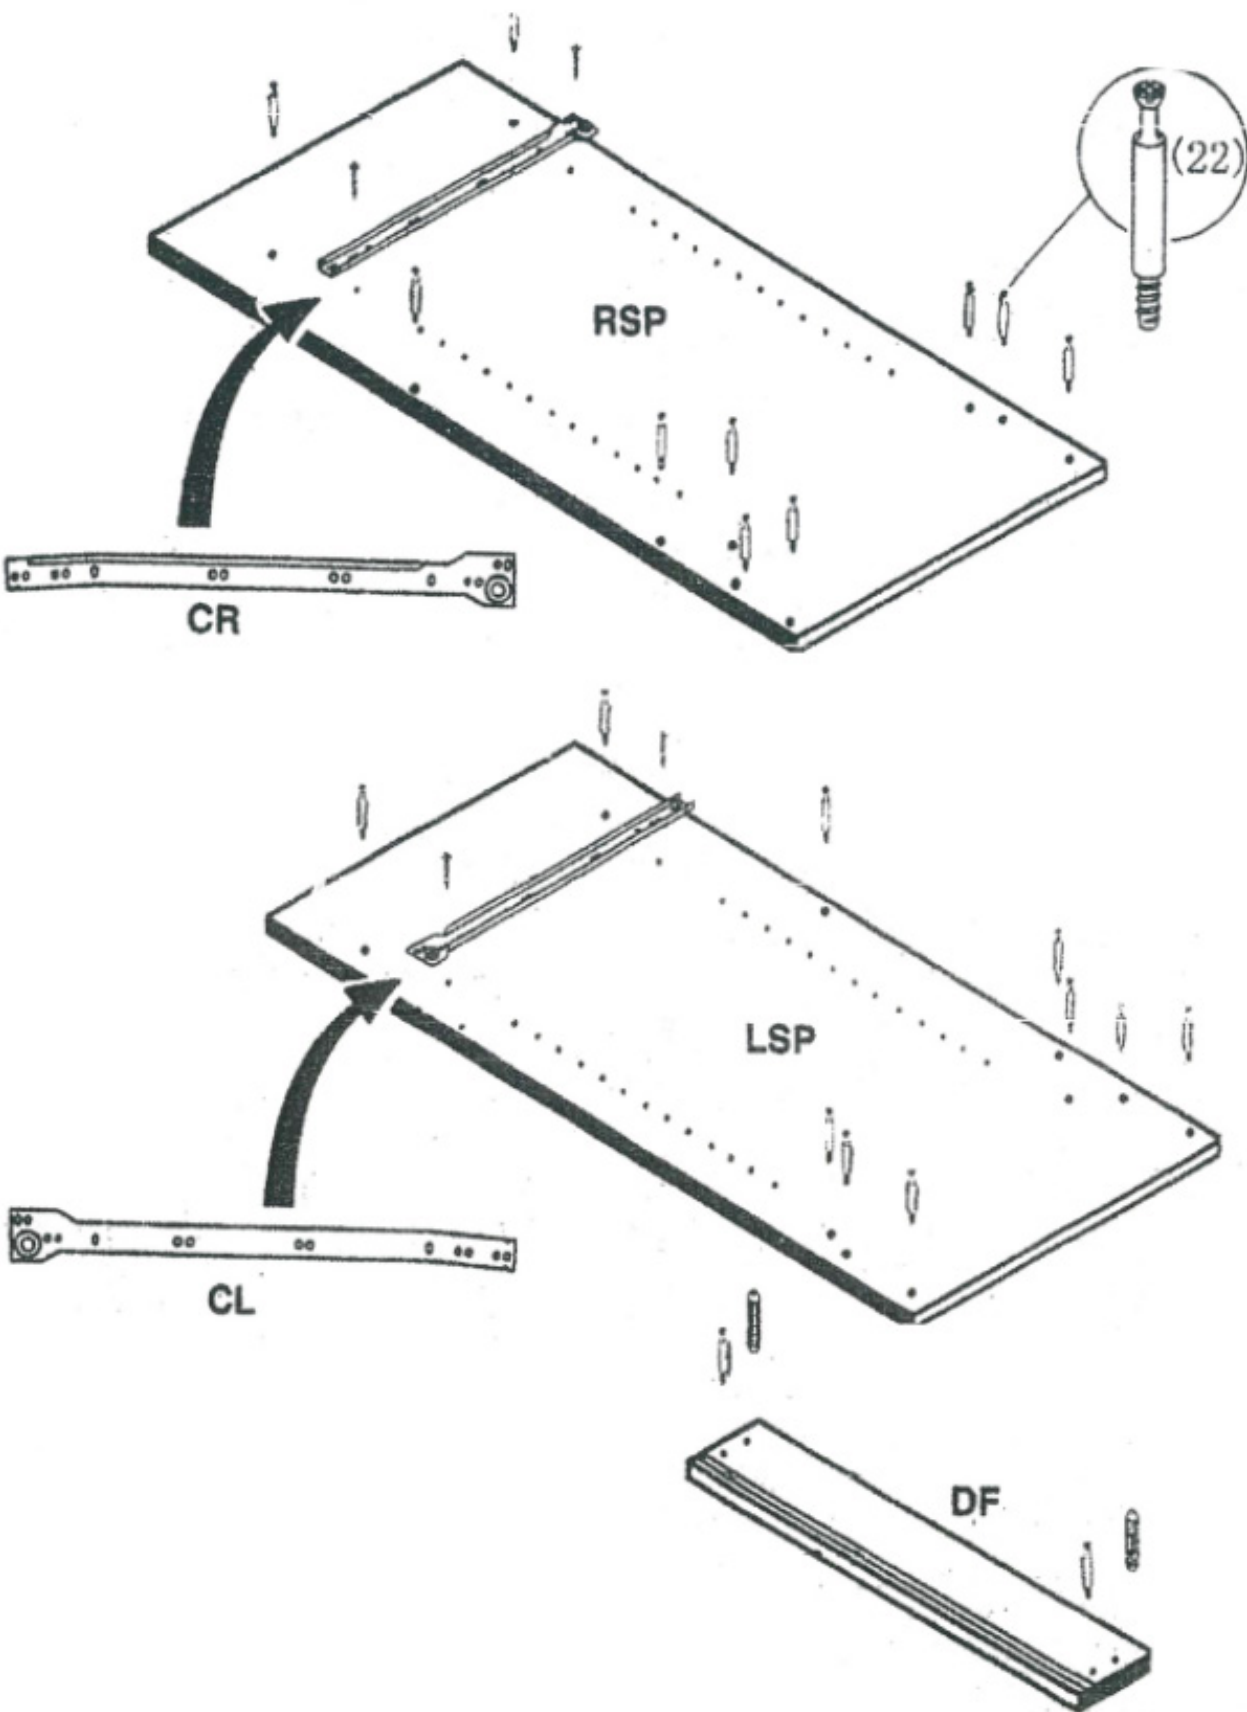

Components

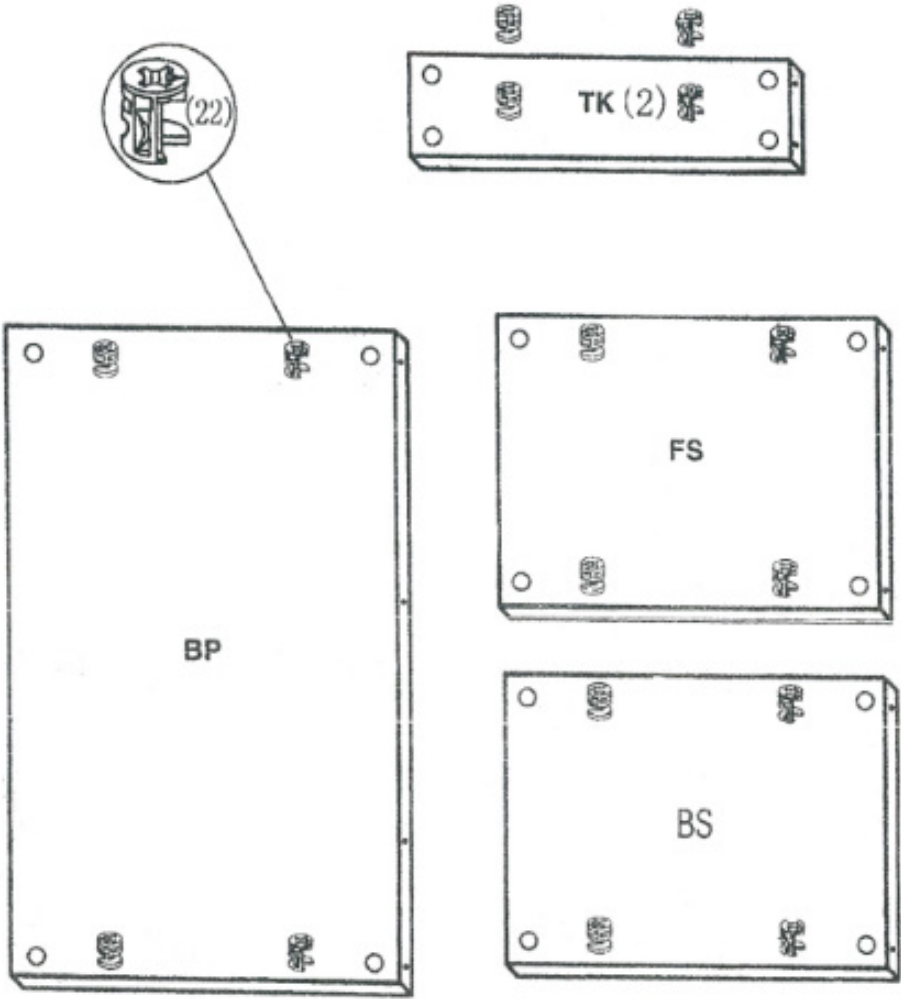

Assembly

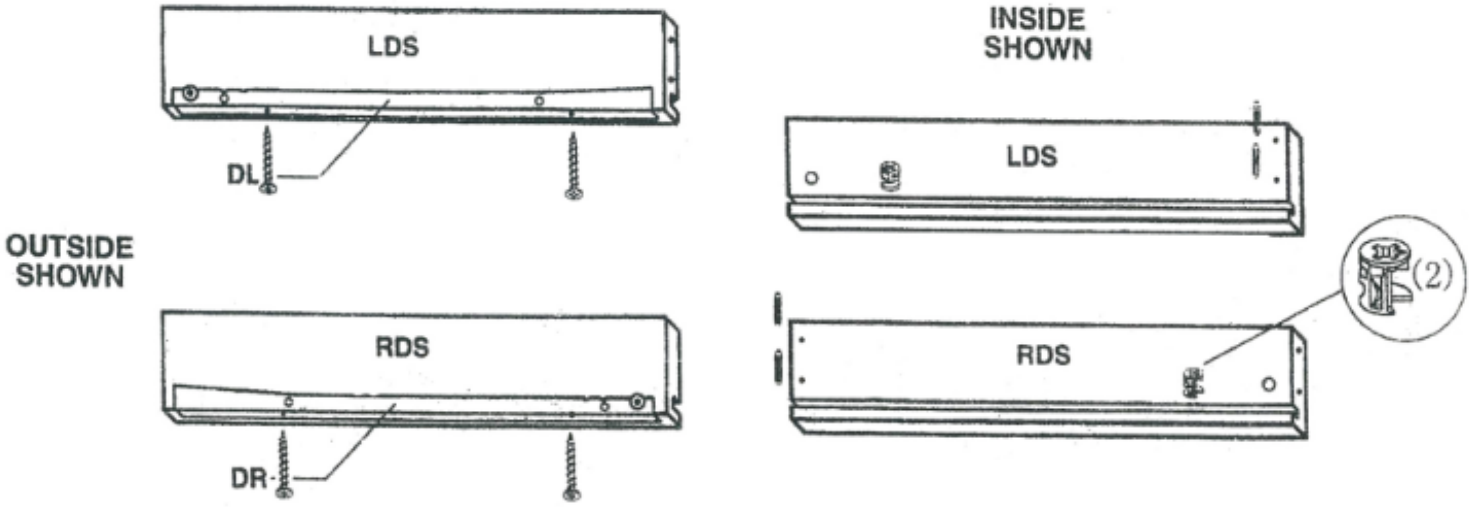

1. Prepare Side Panels.

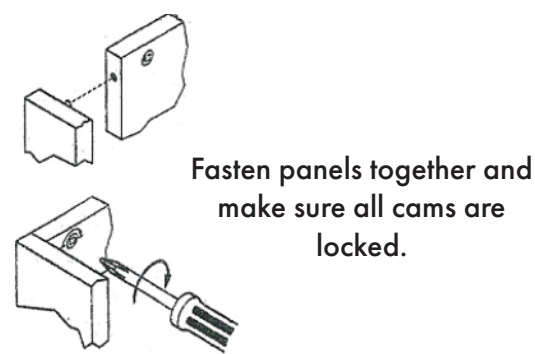

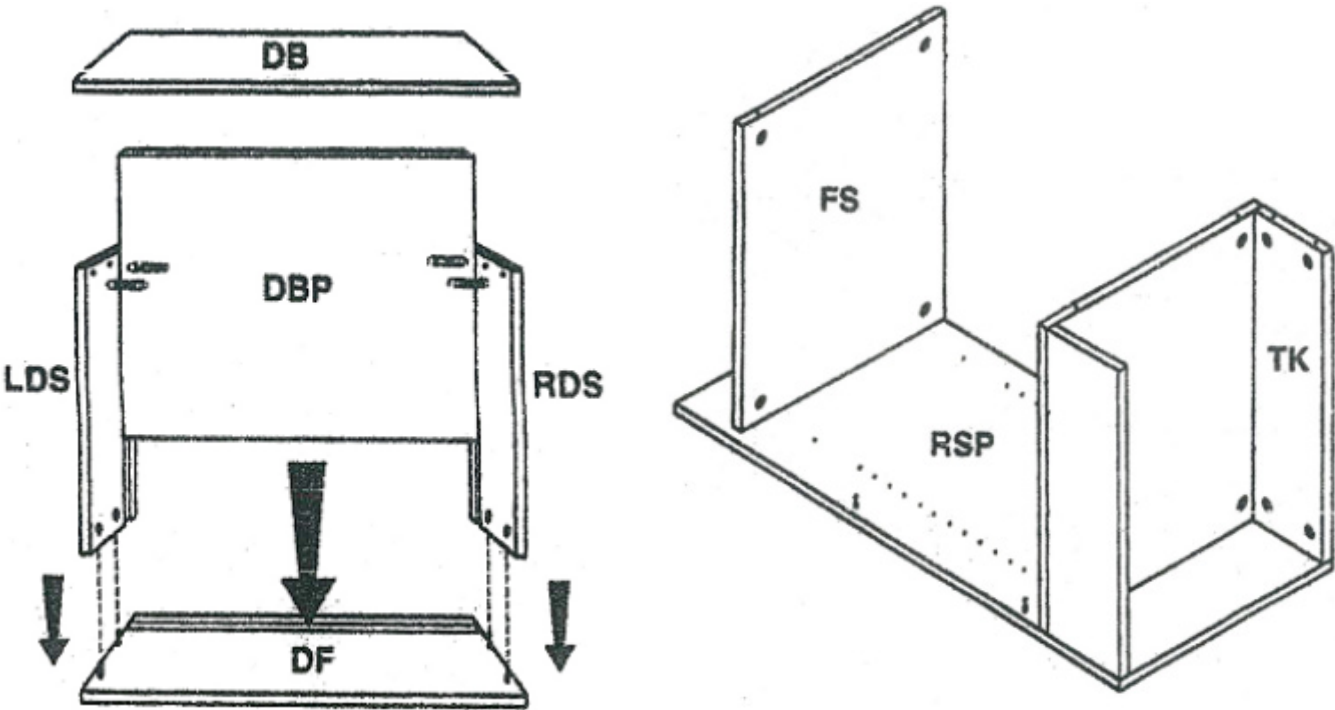

2. Insert Cam Locks into Joining Panels.

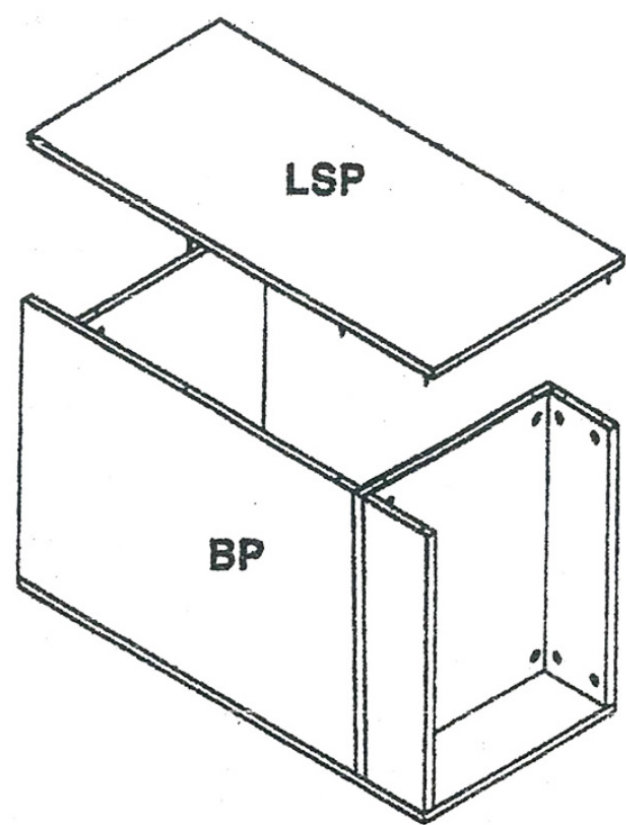

3. Assemble the Sliding Drawer.

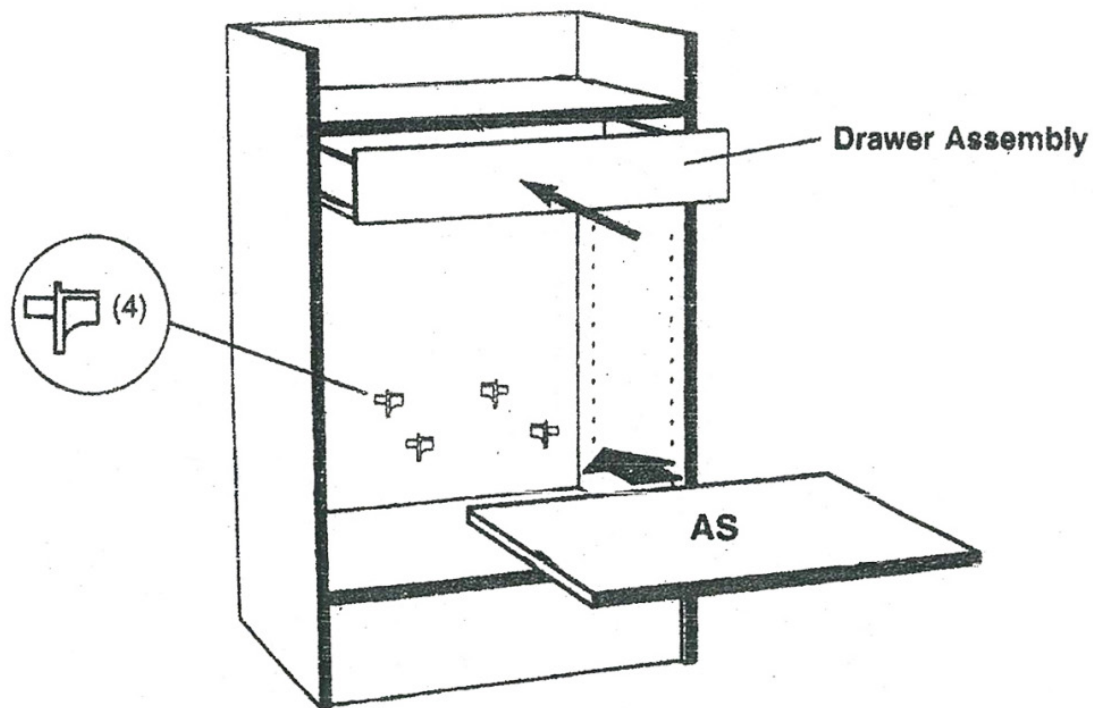

4. Connect Panels.

5. Attach Left Side and Back Panels.

6. Install Sliding Drawer.
