

Spotlight Retractor

Product Parts

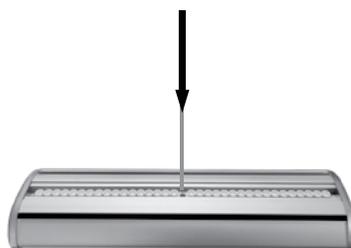

1. Base
2. Snap Banner Rail (x2)
3. Shock Corded Pole
4. Power Cord
5. Power Link

Display Set-Up

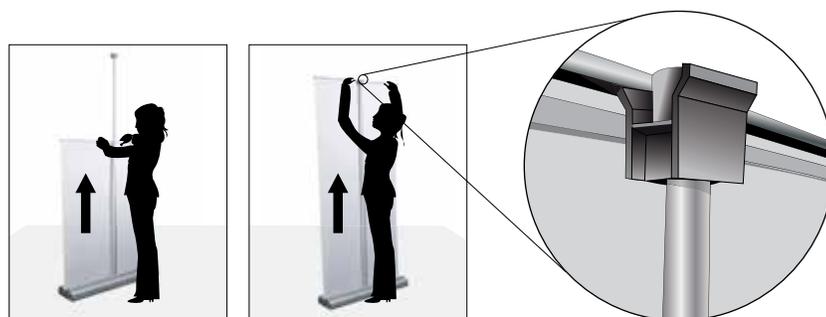

Step 1

Assemble the Shock Corded Pole (3). Insert the bottom of the Shock Corded Pole into the hole in the center of the Base (1). Ensure pole is seated completely into the bottom of the base.

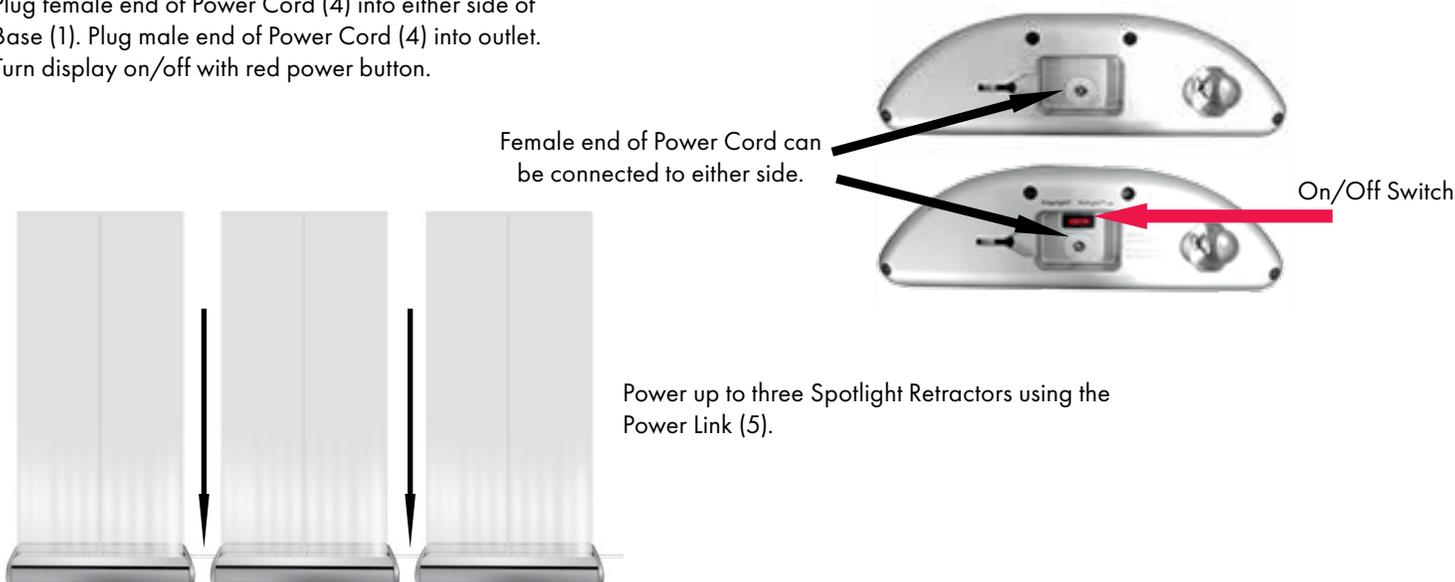

Step 2

Stand facing the back of the Base (1) gently lift with a firm grip the Snap Banner Rail (2) up to the top of pole and insert the edge into groove on Snap Banner Rail (3). Repeat for 2nd banner graphic.

Step 3

Plug female end of Power Cord (4) into either side of Base (1). Plug male end of Power Cord (4) into outlet. Turn display on/off with red power button.

Storage & Care

Place all product parts into Carry Case (supplied) and store in a cool dry location with Power Cord detached from Base. Clean hardware by wiping with a damp cloth.
