

LG CreateBoard®

Shape Your Inspiration

TR3DK-series

-  Google Mobile Services Authorized
-  Easy Connection & Sharing
-  Security & Compatibility
-  Built-In Collaboration Software
-  Genuine Touch & Writing Experience
-  Remote-Control Services

Create, Share & Manage

The LG CreateBoard empowers users to create and share their ideas with ease. Users can create engaging content that comes to life on the high-quality display. Sharing is made simple with the ability to cast your screen to the CreateBoard, allowing for seamless collaboration. Moreover, LG ConnectedCare DMS provides remote management, scheduling, and alert broadcasting to help Manage the display from anywhere.

CreateBoard Slot-in PC

The CreateBoard features an optional Chrome or Windows slot-in PC for more flexibility, allowing users to run familiar applications such as Office 365, Google G-Suite, and more.

Universal Wall Mount

LG offers a fixed wall mount accessory that allows the display to be securely installed in a variety of environments.

Display Mobile Stands

LG offers a mobile cart & slim cart for the display, allowing users to more safely transport the display between various rooms.
