Assembly Instructions

Assembly

⚠ **NOTE:** 2 people required for assembly. Do not exceed weight capacity of 66lbs.

1. Arrange the 2 bases on the floor, making sure the inner distance between the bases is 15".

2. Lift the display case above the bases.

3. Carefully lower and fit the 8 pins on the bases into the holes underneath the wooden base of the display case. Apply medium downward pressure to secure.

Assembly is complete.
