V2.0

## Components

- A. Retracting Base with Graphics (x1)
- B. Folding Support Pole (x1)
- C. Metal Foot (x2)
- D. Stabilizing Spike (x4)
- E. Fabric Travel Case for Stand (x1)

## Assembly

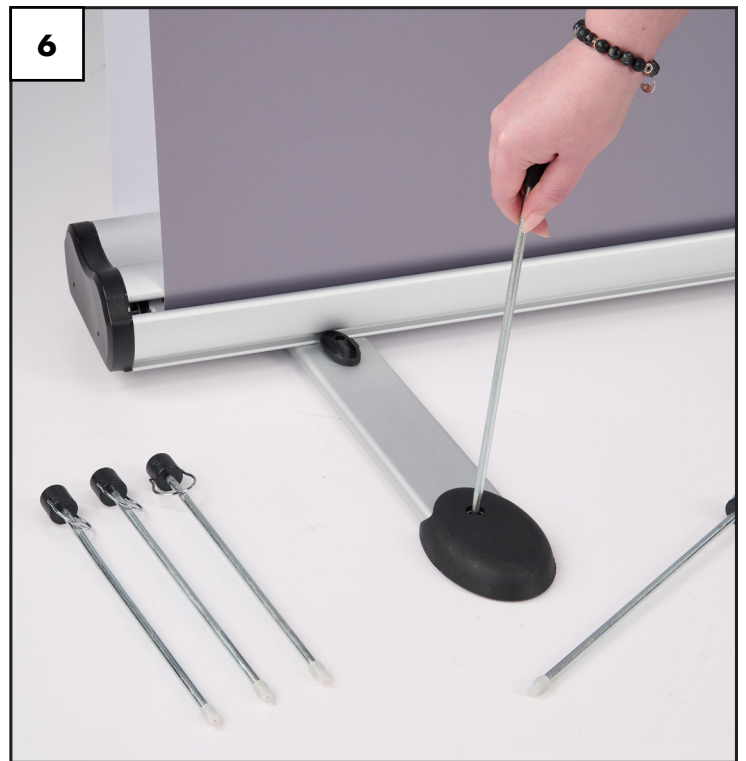

1. Install metal feet by turning over the base and inserting the tab of each foot into the slots on the base.
2. Flip the base back over and twist the locking knobs on each foot to secure the feet in position.

3. Connect the folding pole together and insert into the center hole on the base.
4. Slowly pull one banner upwards and place its top bar into one groove on the support pole.

5. Slowly pull the second banner upwards and place its top bar into the other groove of the support pole.
6. For extra stability outdoors, drive 4 metal stakes through the holes of the metal feet into the ground (optional). **Assembly is complete.**
