24"- 47"W,
80" or 96"H**

Assembly Instructions

Scan the QR
code to visit the
product page.

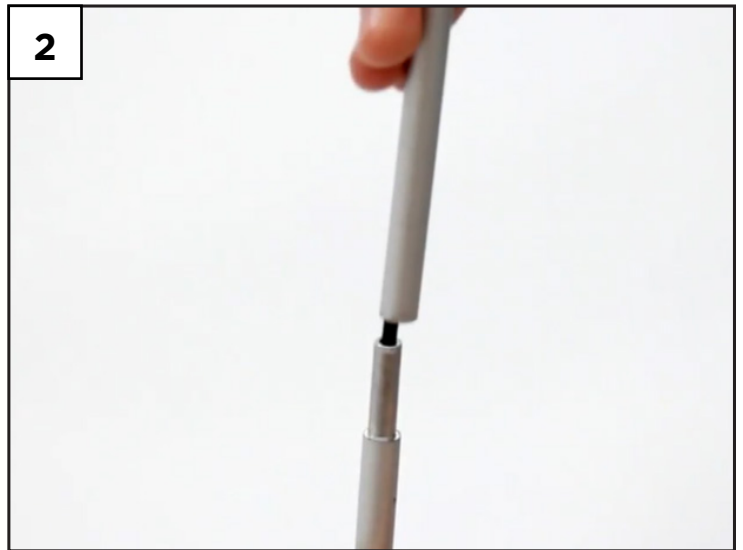

Components

- A. Retracting Base with Graphic (x1)
- B. Folding Support Pole (x1)

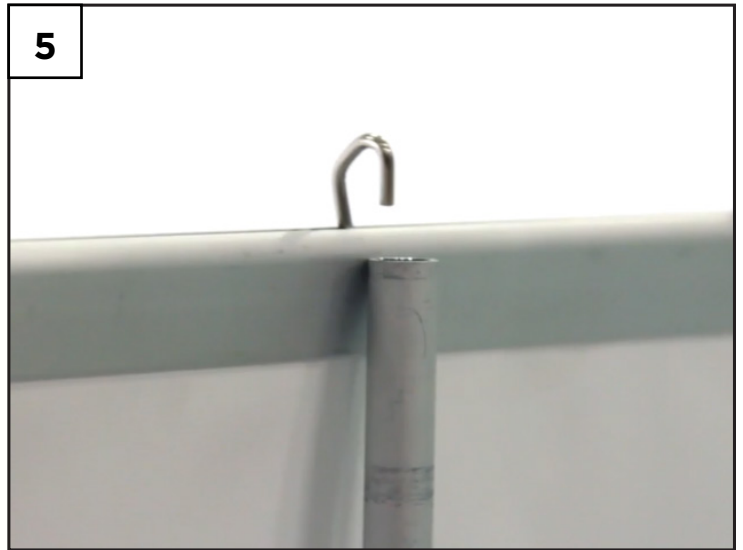

- C. Fabric Travel Case (x1)
- D. End Caps (Optional, x2)

Assembly

1. Unzip the fabric travel case and remove base and folding support pole.
2. Connect the support pole together.
3. Insert the pole into the center hole of the base, securing through second interior hole.
4. Slowly pull the banner upwards.

5. Insert the hook of the top bar into the hole of the support pole.

Assembly is complete.

Scan the QR code to watch the video tutorial on adjusting the spring tension on the retracting base.
