F: 3mm Hex Screw.....	2

REQUIRED TOOLS: 3mm Allen wrench (not included)

If you have any questions regarding our products, please visit us at www.displays2go.com or contact Displays2go customer service at 844-221-3388.

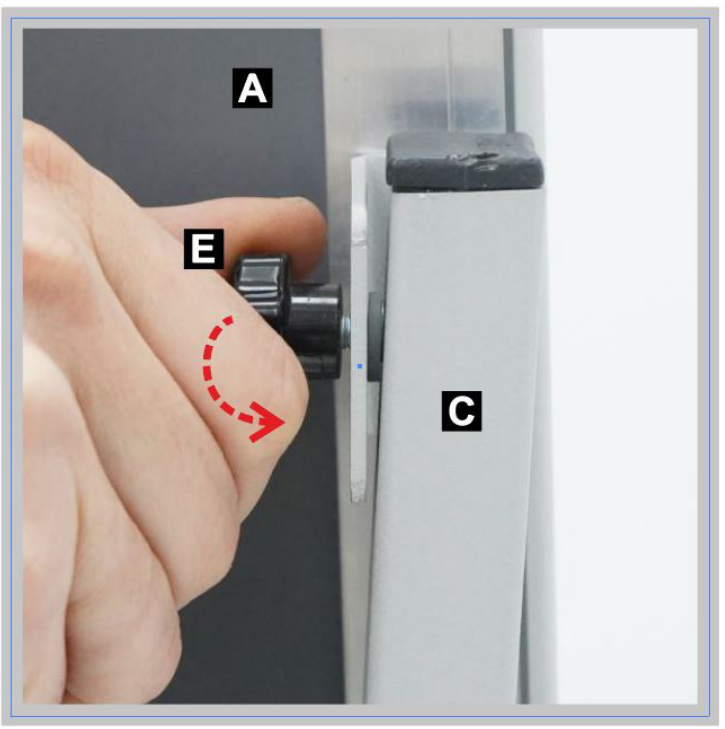

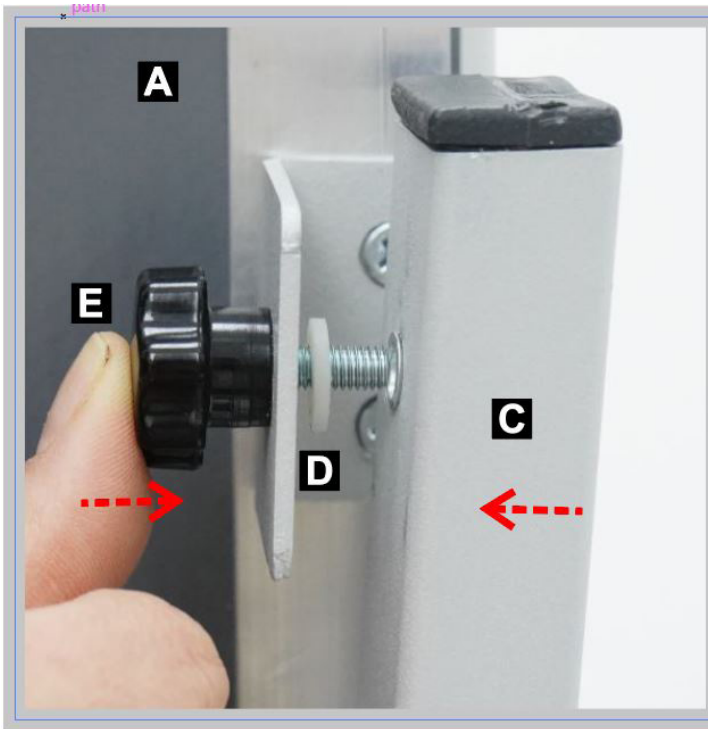

1. Insert screws into holes on the base plate of the unit, then affix it to the square pole. Repeat for both square poles. (This will require an Allen wrench.)

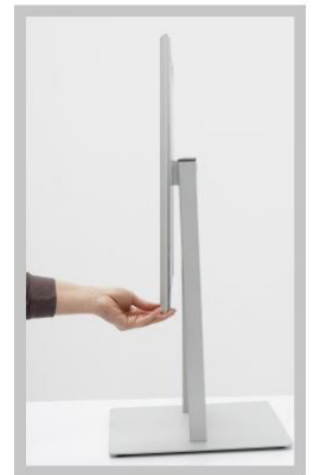

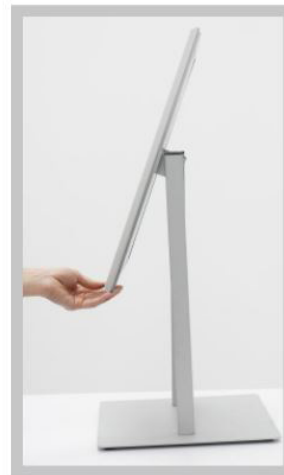

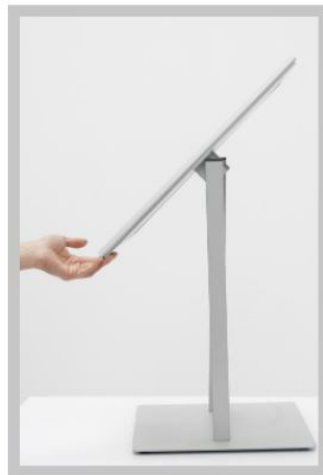

2. Tighten both screws securely, using an Allen wrench (not included).

3. Insert knob screw through the hole (shown at right) on the poster frame. Slip the washer onto the screw. Repeat for both sides of the frame.

4. Tighten knob screw into the square pole. Repeat for both square poles.

Enjoy your new poster holder!
