NOTE: Phillips Head screwdriver required for assembly.

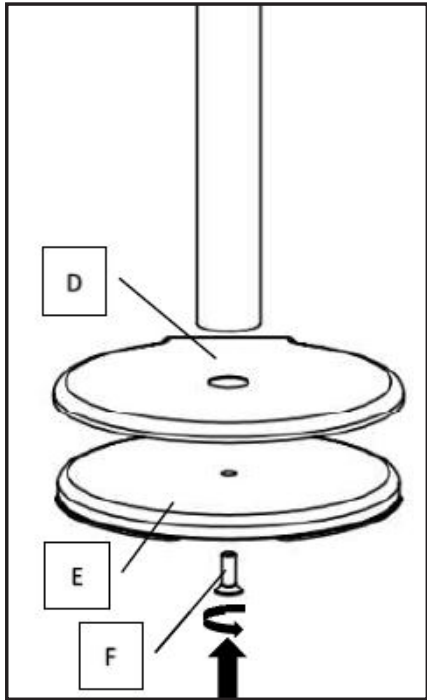

1. Press belt cartridge into pole by lining up channels with top cover.  
 NOTE: Squeeze pole slightly to allow belt cartridge to slide in properly.

2. Secure top cover to pole with M4\*16 screw.

3. Place base cover over weighted base, then align pole to holes in each. Then, twist bottom screw into place.  
 NOTE: This step may be done with unit on its side.

4. Enjoy your new Deluxe Stanchion!
