Assembly

1. Assemble Left and Right Frames with M6x14 screws and screwcaps (A). Adjust the angle of the frames as desired and tighten screws and screwcaps to secure the position.
2. Use a power drill to drill M3x25 screws at the pre-tapped locations along the frame. Place each dowel in frame and secure both ends with M3x25 screws (B).
3. Place shelves onto dowels.
