

RETAIL REIMAGINED

Create Interactive In-Store Experiences with XtagRetail Lift and Learn Technology

With the Xtag technology, customers simply lift a tagged product to see additional product info or demos, informative videos, and more on the digital screen. The new Xtag Digital Signage Bundle Pack makes it easier than ever to get started. Choose a wall-mounted or countertop digital touch screen display, attach the included product tags, and set up the interaction on the Xtag app.

Inform buyers about your product, gather customer data, analyze buying patterns, and deliver a more personalized and immersive in-store experience with this small yet mighty device. XtagRetail is an affordable and scalable solution for stores, showrooms, dispensaries, trade shows, and more!
