We've really seen a **remarkable increase in foot traffic**. Lots of new customers and 90% of them mention the promotion on the window sign.

Elena & Marco Vasquez • Restaurateurs - Burlington, VT

The power of the sign is that we can **deliver offers when it matters most** - when customers are at the door!

Nadine Maser • Boutique Owner - Seattle, WA

So many of our new customers tell us they had no idea we were here. The **DMB sign really stands out and catches peoples' attention** at a distance.
