How to Connect the Bluetooth Remote

1. Switch on the remote by pressing the round button for 3 seconds until the signal light is lit.

2. On your smartphone/tablet, turn on Bluetooth, then find "AB Shutter3" on the listed devices and select it to pair.

Once paired, the indication light will be off.

3. Activate your camera and start taking pictures with paired remote shutter.

NOTE: Auto connects to device once in use.
