

# RETAIL REIMAGINED

## Create Interactive In-Store Experiences with XtagRetail Lift and Learn Technology

Boost sales by creating more interactive product displays! Transform your digital signage with XtagRetail Lift & Learn technology to enhance in-store interactions. This unique technology provides customers with additional product info or demos, informative videos, and more when a customer interacts with a tagged product.

Inform buyers about your product, gather customer data, analyze buying patterns, and deliver a more personalized and immersive in-store experience with this small yet mighty device. XtagRetail is an affordable and scalable solution for stores, showrooms, dispensaries, trade shows, and more!
