Wall Mount Installation

Kit Components

A) 2 Decorative Caps

B) 2 Brass Washers

C) 2 Nylon Washers

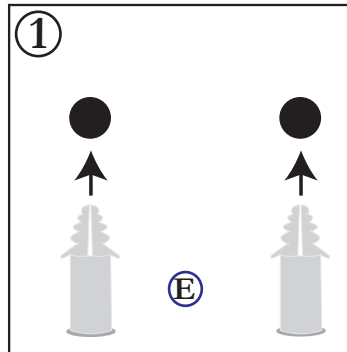

D) 2 Screws

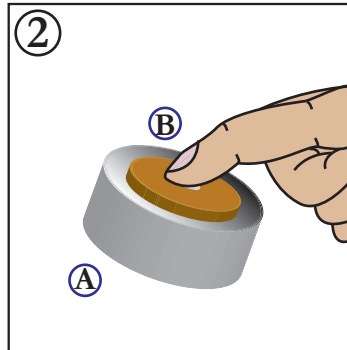

E) 2 Wall Anchors

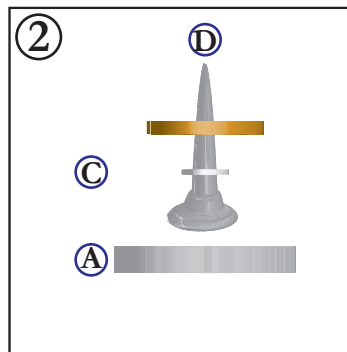

Instructions

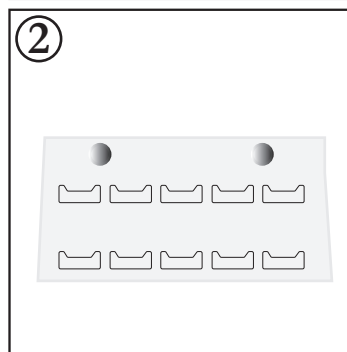

Drill 2 holes 14" apart into your wall at the desired height. Insert wall anchors into holes.

Using your thumb, twist brass washers out of decorative caps.

Flip the brass washer over and assemble the unit as pictured.

Place assembled units in the business card holder, then screw into wall anchors.
