

Adjustable Banner Frame

(SKU: BWALL8)

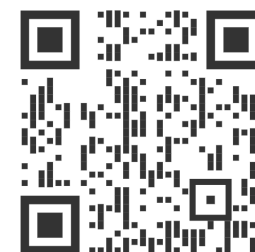

DISPLAYS2GO

1. Attach the vertical poles to the feet with the provided screws.
2. Lay the rolled-up banner between the vertical poles. Slide the top pole into the top pocket of the banner.
3. Attach the top pole with the banner to the holes at the top of the vertical poles using the screw-knobs.
4. Extend the vertical poles while slowly unrolling the banner until it is hanging freely. Tighten each telescoping pole securely.
5. Slide the bottom pole through the pocket at the bottom of the banner.
6. Attach the bottom pole with the banner to the vertical poles with the screw-knobs.
7. Adjust the poles as needed.

Assembly is complete.
