

Clean Instruction

Carpet Cleaning

- Soft carpet can be maintained easily.
- Cleaning instruction typically incl. vacuuming the tiles, remove any loose or dry crumbs, dust or debris.
- Cleaning harder stain or liquids off, can be wiped off with a damp rag or under running water in a tub.

✓ **Note:**

Protect tiles

Provides anti fatigue relief

Detachable border pieces make this modular carpet tile system easy to install.

Foam construction helps insulate against sound and cold sub floors.
