

EMPS2228CH Assembly Instructions

1. Cut cable ties holding rectangular base to poster holder with legs (retain hardware pack).
2. Lay poster holder on carpeted surface or blanket to assemble base to bottom of legs.
3. Align screw holes on the bottom of the legs to the to the screw holes through the base. It may take some slight pressure on the legs in order for the screw holes to align properly.
4. Insert screws and washer through base and into legs.

See Fig. 1.

IMPORTANT – Be sure screws are completely tightened to prevent frame from wobbling.

5. Grasp poster(s) and insert into frame (slot on top). See Fig. 2

Be certain poster(s) are completely inserted into bottom center track of frame.

IMPORTANT

BEFORE STARTING: CHECK THAT THE FOLLOWING ITEMS WERE PRESENT IN THIS BOX.

(1) FRAME BODY (1) BASE (2) SCREWS 1 in each leg (2) Washers

TOOLS REQUIRED: Hex Key (Included)
