

Assembly Instructions

Promotional Backpack Flag

Scope of delivery

- Backpack
- Printed banner
- Pole Set (Poles) (1-4)

Construction: F / S

Step 1 Stick together the pole segments (take care of the correct order).

Step 2. To fix the printed banner to the pole, slide the flag down the pole segment 1.

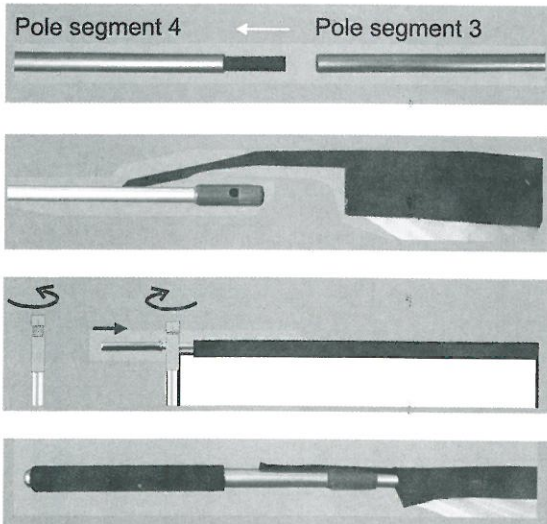

Note: Consider to slide the top of the pole completely into the strengthened end of the sleeve!

Step 3. Fix the lower end of the sleeve to the hook and loop tape on the end of pole segment 4.

Step 4. Insert the pole segment 4 with its end into the centered upper mount on the front side of the backpack until snug (pole may be turned slightly).

Step 5. Put on your backpack and close the waist belt.

Construction: H

Step 1. Stick together pole segments 3 and 4 and slide them through the vertical pole sleeve of the flag. Note: pole segment 1 is not necessary.

Step 2. Open the screw on the upper end of pole segment 3. Slide pole segment 2 with its small side through the loop of the pole segment 3 and the upper sleeve of the flag till stop. Tighten the screw.

Step 3. Fix the lower end of the sleeve to the hook and loop tape on the end of pole segment 4.

Step 4. Insert the pole segment 4 with its end into the centered upper mount on the front side of the backpack until snug (pole may be turned slightly)

Step 5. Put on your backpack and close the waist belt.
