1 Attach Side Frames (F) to 1 Shelf (C) at the top. Use Screws (D), Nuts (A) and Hex Key (E) to fix the side frames to the shelf.

2 Attach the 2nd Shelf (C) in the middle the same way as in Step 1.

3 Insert Casters (B) into the side frames from the bottom. Align holes in caster, side frame and shelf then use screw and nut to connect. Tighten screws to fix the bottom shelf and the casters.

4 Check the cart stability and make sure all parts are secured with hardware. The cart is ready to use.
