

PRINTING AND MOUNTING INSTRUCTIONS

DSIGN8511PC & DSIGN1117PC - Polycarbonate Sign Holder

v21.05

1. Print your custom design onto 8.5X11 or 11X17 sheet paper and test it with the sign holder.

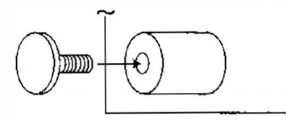

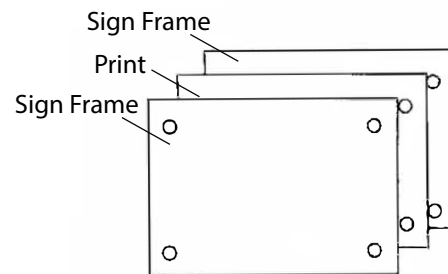

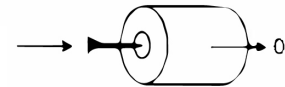

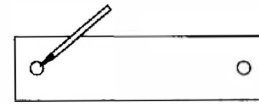

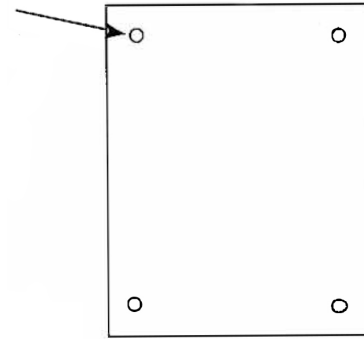

2. Hold one sign frame at the desired location and make sure it's level. Mark the center of each hole.

3. Remove the sign frame and drill pilot holes at the marked locations. If your wall is hollow, drill holes to fit the wall anchors.

4. Separate the standoff cap from the barrel. Using the included mounting hardware to secure the standoff barrels to the wall.

5. Sandwich your printed design between the two sign frame.

6. Place the sign assembly onto the standoffs and hand-tighten the caps into the barrels.
