

# ASSEMBLY INSTRUCTIONS

## FLSO1485 - Floor Standing Standoff Signage

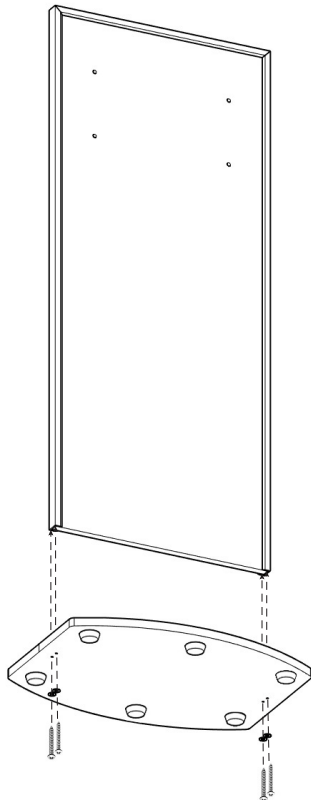

PARTS LIST	QTY.
A. Sign Stand	1
B. Base	1
C. Acrylic Sign Holder	1
D. Standoff	4
E. M4 Phillips Rounded Head Screw	4
F. Washer	4
G. Flat Head Screw	4

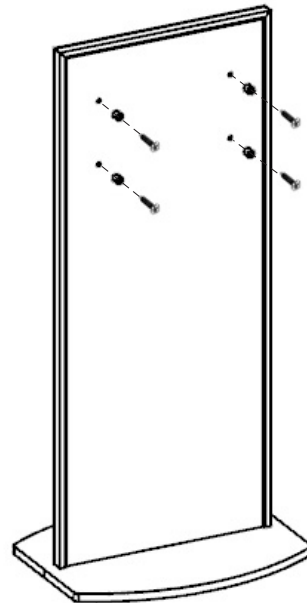

Scan QR code to visit the product page:

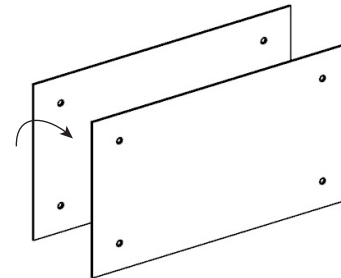

STEP 1. Attach the Base (B) to the Stand (A) and secure the base with M4 Rounded Head Screws (E) and Washers (F).

STEP 2. Unscrew standoffs (D) and attach the base part to the Signage Stand. Align the center hole with pre-drilled hole on the Stand and fix it with Flat Head Screw (G).

STEP 3. Sandwich your printed signage between 2 Acrylic Sign Holders (C).

STEP 4. Attach the Sign to the standoff bases and replace the standoff caps. The assembly is finished.
