

ASSEMBLY INSTRUCTIONS

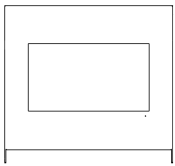

SMABLCD - DIGITAL SCREEN MASTER SKU: FRMRCKWT66DS

DISPLAYS2GO

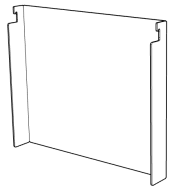

Open all boxes first and layout all parts on a level and sturdy floor. Reference parts list to verify that all parts and hardware are present.

Before you begin, read instructions thoroughly prior to assembly. 2 people are required for the installation.

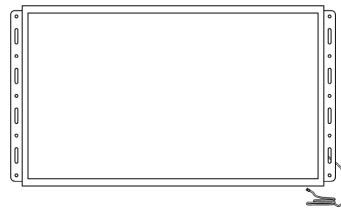

PARTS LIST

Front Panel X1

Back Panel X1

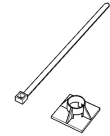

21.5" Screen X1

Screws X6

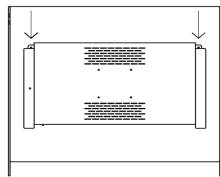

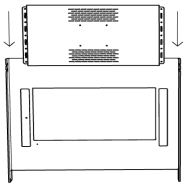

Spacers X4

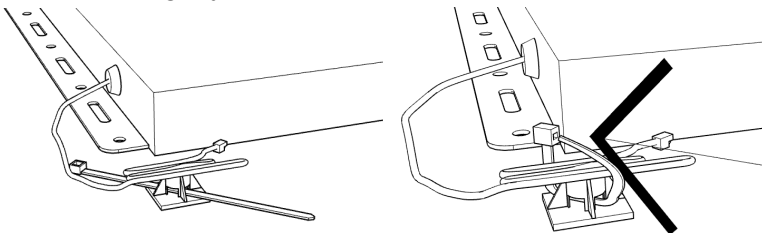

Zip tie X1 and Zip tie holder X1

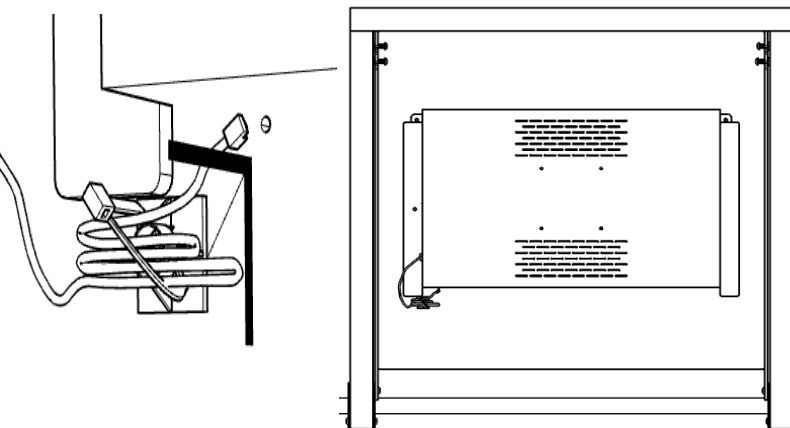

1. Take Screen and insert into brackets making sure the screen hits the bottom of the brackets shown below.

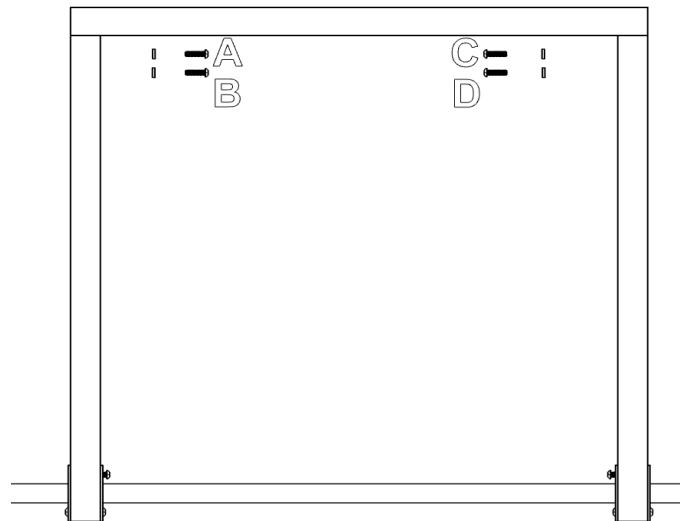

2. Next tie the IR cable to the zip tie holder using the zip tie shown in the images below. Make sure it is secured tightly.

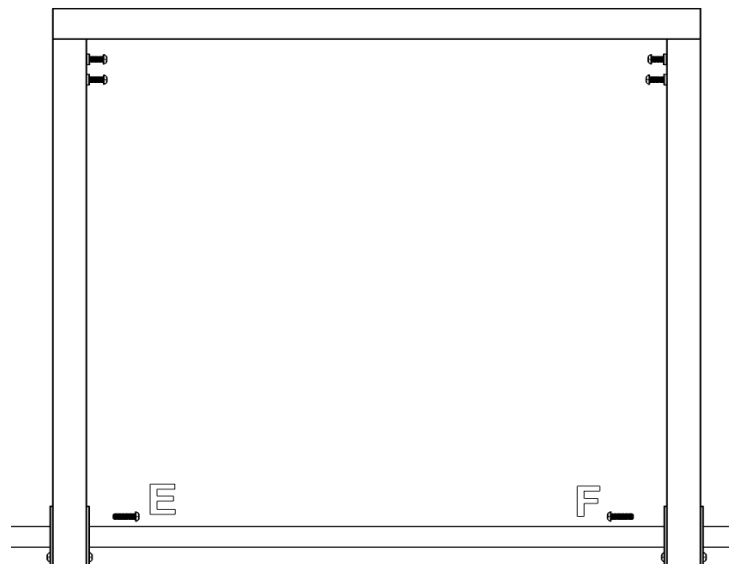

3. Peel bottom of zip tie holder to stick to front panel and place IR over hole like the images below.

4. Remove screw A and replace with screw and spacer provided in the kit. Repeat steps for screws B, C, and D. Only screw half way.

5. Remove screw E and replace with a screw from kit. Repeat step for screw F. Only screw halfway.

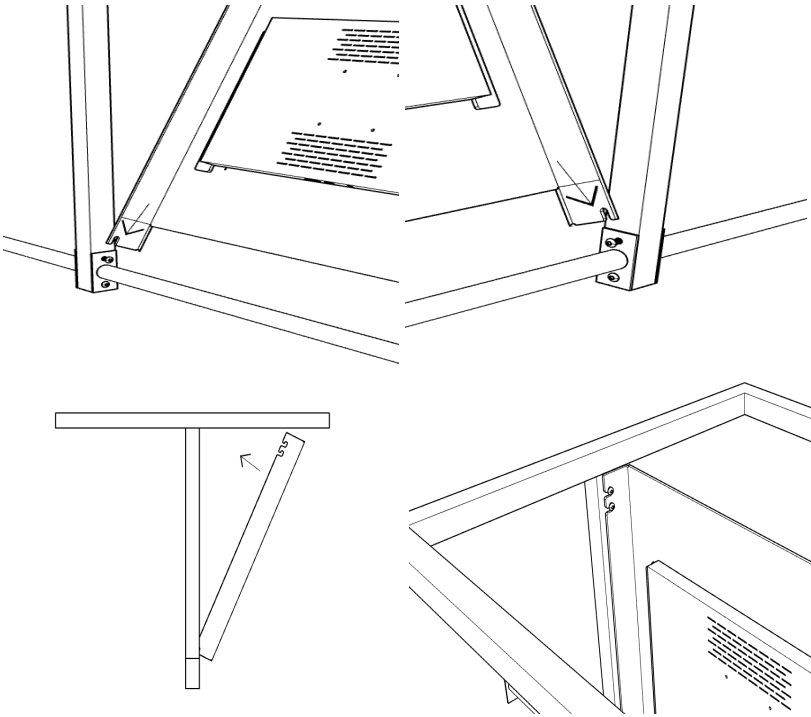

ASSEMBLY INSTRUCTIONS
