

**HAND SANITIZER MOUNTING BRACKET**

**SKU: NAVSNBKTBK  
NAVSNBKTSV**

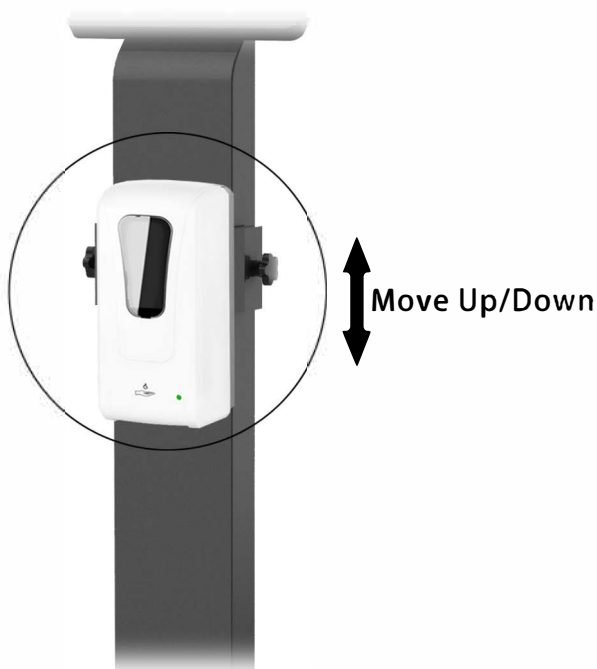

**For Navigator Series iPad Floor Stand**

The hole pattern is for installing hand sanitizer dispenser.  
Maximum width of 2 holes for installing hand sanitizer dispenser is 100mm.

1. Secure your hand sanitizer dispenser to the bracket with hardware included.
2. Attach the bracket to the iPad stand and adjust it vertically to the desired height. Fix the bracket by tightening the thumb screws on both sides. The assembly is finished.

**NOTE:** Navigator iPad stand sold separately.
