

# iPad Kiosk Install Guide

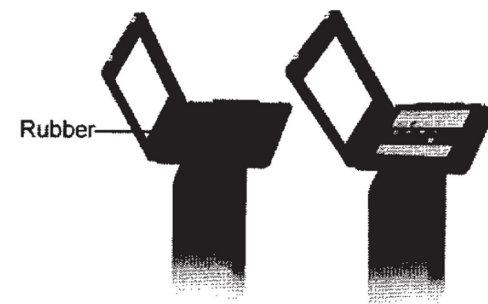

1: Install the front base and back base onto the stand.

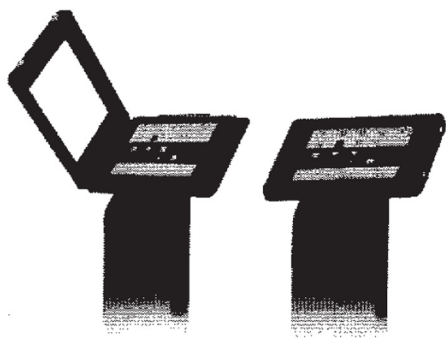

2: Install the iPad enclosure onto the stand.

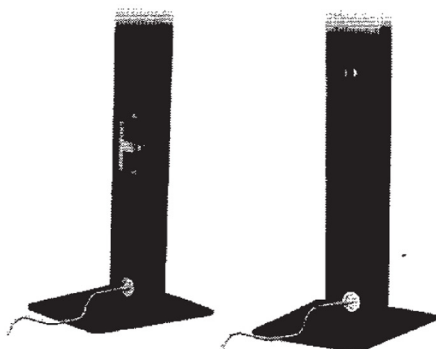

3: Check rubber, put the iPad into the enclosure.

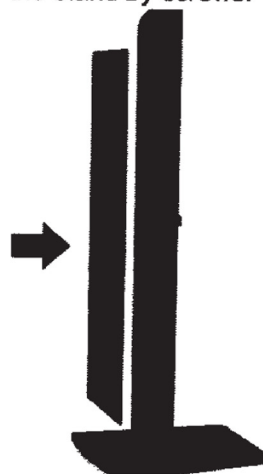

4: Connect power cable onto the iPad and close the front cover and lock it.

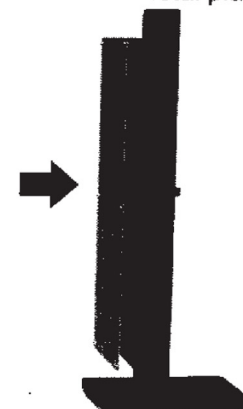

5: Connect the adapter into the power bar, take out the main cable of the power bar, close the back door and lock it.

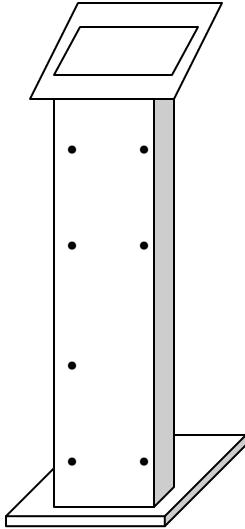

6: Install the advertisement metal plate onto the stand by screws.

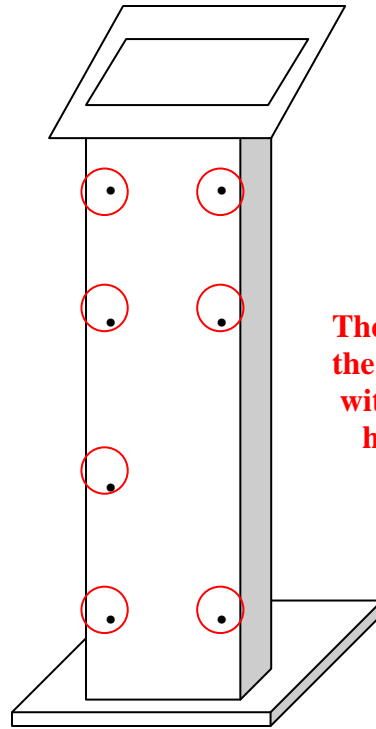

7: Please put artwork between the metal plate to the acrylic panel. Install the advertisement acrylic panel onto the metal plate.
