

Item: LDRSHLWH62,LDRSHLBR62

Left Frame X 1 & Right Frame X 1

Shelves X 5
D14"
D12"
D10"
D9"
D7.5"

L Bracket X 2
Screws X 4
Plastic Anchors X 2

Screws and washers X 20

ASSEMBLY INSTRUCTIONS

1. Ensure all components are present prior to installation.
2. Attach D14" D12", D10", D9" and D7.5" shelves in slots of the left frame. Fix each shelf by fastening 2 screws and washers from side of the left frame.
3. Align the right frame with all shelves inside the corresponding slots. Fasten right frame to all shelves using the rest screws and washers.
4. If necessary, there are additional L brackets that provided for extra stability to the wall.
 - a. To attach L brackets use a screw to secure one side of the L bracket into the leaning clothing rack.
 - b. Drill hole into the wall and insert plastic anchor into the wall.
 - c. Use the other screw to fasten the other side of the L bracket into the plastic anchor in the wall.
 - d. Repeat for other side frame

NOTE:

1. Be sure the whole rack is tightly assembled.
2. The rack may loosen overtime. Check that all connections are tight periodically.
