 - recipient email address: sales@trtbanners.com

POSTER SIZE AND MARGINS

Design poster at 22" wide x 36" tall (document size). Leave 1.5" of the top free of text and logos. This is where grommets will be placed.

Important: When designing, design file at actual size and have background color/photo go edge to edge, but leave this 1.5" as a "safe area" - do not leave this space white, unless you want the white visible on your banner..

To ensure a good quality print please make sure that your file is at least 150 dpi.
