

SBPH1117V2 Mounting Instructions

1. First, decide on which orientation you would like to install the unit.
2. Locate the 4 mounting holes indicated in the picture, and mark them onto the wall.

3. Drill holes and insert the wall anchors into the wall. Set the unit in place and screw it into the wall with the included screws.

4. Insert your poster into the 4 clips. Close door and lock.
