

Table Top Instructions

Table Top X-Frame

1. Take banner and frame out of cardboard tube.

1.

2. Hold frame at the center.

2.

3. Swing each of the five arms and legs of the frame outwards.

3.

4. Make sure the arms and legs are locked in the "out" position.

4.

5. Connect one of the top grommets on the banner to the hook on the corresponding top arm of the frame.

5.

6. Repeat until all four corners of the banner are connected to a hook on the frame.

7. Your X-Frame Table Top Display is assembled.
