

# TWN Poster Holder Series Assembly Instructions

---

# DISPLAYS2GO

Components:

- a. (1) Frame
- b. (1) Posts
- c. (2) Weighted Base
- d. (2) Hex Screws
- e. (1) Allen Key

## Step 1:

Screw the two posts (b) onto the screws attached at the frame (a).

## Step 2:

Lay the attached frame and posts down and screw the weighted base (c) with the two hex screws (d).

## Step 3:

Tighten the hex screws with the allen key (e) and stand on base.

## Step 4:

Insert your graphic in the top insert and your poster holder is now ready for display.
